RE: MURKIN

The records of the above named should be reviewed for any applications submitted on or after 4/1/68. The original application or a photographic copy thereof should be submitted to the Bureau for appropriate handwriting and/or typewriting examinations.

In addition, information has been received that a course in locksmithing is offered by the Universal School of Master Locksmithing, 1974 Fulton Avenue, Sacramento, California, (P. O. Box 4868). It is reported that this school requires their students to be in residence at the school and does not offer any correspondence courses. Sacramento Office should contact the school and ascertain if correspondence courses are offered. If such are offered, appropriate check should be made of applications received on or after 4/1/68. If correspondence courses are not offered, a check should be made regarding those individuals who are in residence to determine whether or not subject is among such group.

NOTE:

Information concerning the various schools was obtained by the Newark Office from Locksmithing Institute in Little Falls, New Jersey.

C The Bureau has received an anonymous religious greeting card the envelope of which bears the postmark Hoboken, New Jersey, and is dated May 17, 1968. Attached to the greeting card is a "Miraculous" religious medal and a message on this card implies that subject James Earl Ray could be located at an address in Memphis, Tennessee.

The handwriting and hand printing appearing on the envelope and greeting card were searched in the Anonymous Letter File but could not be identified with any prior submissions to this file, and no identifying features were noted on these two items which might indicate their immediate source.

The writings appearing on the envelope and greeting card were compared with the writings which have been submitted in connection with the MURKIN case but nothing of significance was noted.

The greeting card and envelope will be forwarded to the Latent Fingerprint Section for appropriate examination.

Enclosed is original signature card of JAMES CARL O'CONNOR prepared about 3/9/59 for Manufacturer's Bank and Trust Company, St. Louis, Missouri, by individual opening checking account at that time.

The above-mentioned signature card of JAMES CARL O'CONNOR believed to be identical with JAMES EARL RAY shows the last known residence address of this individual to be 1727 South 11th Street, St. Louis, Missouri. The signature "James Carl O'Connor" is believed to have been placed on the signature card by this individual. None of the other handwriting appearing on the card is believed to have been written by RAY. The St. Louis address 1727 South 11th Street is a prior address of RAY's sister, Mrs. ALBERT (CAROL) PEPPER, St. Louis, Missouri. Several checks drawn against this account are payable to CAROL RYAN, a name formerly used by Mrs. PEPPER.

The afore-mentioned account was opened 3/9/59 and it was closed 7/20/59. Deposits therein ranged between \$10 and \$370 and the largest balance on hand in the account at that time was \$620 on 3/26/59.

The FBI Laboratory is requested to conduct a handwriting examination in attempt to identify the signature of JAMES CARL O'CONNOR appearing on the card as handwriting of JAMES EARL RAY. Further, the FBI Laboratory is requested to conduct appropriate fingerprint examination in attempt to

Enclosed for the Bureau are the originals of an envelope and letter postmarked May 1, 1968, at Dallas, Texas, addressed: "Mr. LOEB, Mayor of Memphis, Memphis, Tennessee". This letter reads as follows:

"I didn't mean to kill Rev. LUTHER KING. They hired me to shoot him in the leg and when he stumped over I accidental kill him. Brother A said he would pay me \$300 cash and if Rev. KING was wounded they would get a hole lot of money and would give me 5000. Now they will pay me no more. 3 men hired me called each other Bro A Mr. B and Mr. T.

"By the time you gets this I will be out of the country. Hope you gets the 3 men that hired me. They are the guilty ones. You are looking for the wrong man. I am white but not a white man Black man hired me."

This letter was made available today by Inspector N. E. ZACHARY, Homicide Bureau, Memphis Police Department, who stated he had received it today from the Mayor's Office. Re Bureau telephone call 5/16/68 requesting dental chart.

A review of subject's file at MSP revealed the following dental information:

In 1960 subject had lower right tooth, #6, missing. Condition of teeth described as good, tissue good, bite normal. This report also states that x-rays of the teeth were taken in 1965. The Kansas City Office is attempting to obtain copies of these x-rays for the Bureau.

Pertinent information from subject's file at MSP was included in Kansas City report dated 5/15/68, however, since this file contains numerous psychological medical and technical terms which may be better evaluated at the Bureau. A photostatic copy of this entire file is being forwarded herewith for the Bureau. Also, it is to be noted that several pages in the file are too faint to read. Attempts are being made at Jefferson City to obtain readable copies of these pages and they will be forwarded to the Bureau.

Subject as James Earl Ray and his associate Walter Terry Rife were arrested on March 23, 1955, by the Missouri State Highway Patrol at Hannibal, Missouri, and were charged with cashing stolen U. S. Postal Money Orders. Ray and Rife were subsequently incarcerated at the United States Penitentiary, Leavenworth, Kansas on these charges.

Review of these money orders indicates they were all cashed during the month of March, 1955, and included in the cities where they were cashed are Hot Springs, Arkansas; St. Petersburg, Daytona Beach, Tampa and Tallahassee, Florida.

The Little Rock Office at Hot Springs; the Tampa Office at St. Petersburg and Tampa; and Jacksonville Office at Daytona Beach and Tallahassee bear in mind that subject, as a result of cashing these stolen U. S. Postal Money Orders, is somewhat acquainted with these places and it is possible that subject could return to same.

*C* On 5/20/68 ASAC Richard H. Ash of the Minneapolis Office was telephonically contacted concerning this matter. Ash was instructed to make arrangements to have the Western Union auditors' records reviewed for any money order payments made to the subject under his true name and known aliases for the months of April and May, 1968, with points of origin for such money orders being Los Angeles, Memphis, Birmingham and Atlanta. It is noted that these are the cities in which subject is known to have been during the last few months and where contact may have been made for any contract killing.

SAC Jensen of the Memphis Office and SAC Gamble of the Birmingham Office were instructed to check on large withdrawals of funds from banks in their respective headquarters for 4/5/68. By large withdrawals it was meant any sum of \$10,000 or above.

SAC Bachman, Newark, was telephonically instructed to recontact the locksmithing institute at which subject had enrolled to determine, if possible, whether or not subject had re-enrolled under another name. It was suggested to Bachman that he obtain the applications which had been filed or if the originals could not be obtained to obtain photographs of such applications and furnish to the Laboratory for handwriting purposes.

Bachman was also instructed to obtain information from the locksmithing institute as to the approximate number of such courses being offered throughout the United States and the names and identities of known locksmithing schools.

[REDACTED] ADVISED PURPOSE OF ORGANIZATION  
WAS TO CONVINCE UNITED STATES GOVERNMENT THAT ITS AFRICAN POLICY  
IS INCORRECT AND SHOULD BE CHANGED SO THAT MORE FRIENDLY RELATIONS  
CAN EXIST BETWEEN THE UNITED STATES AND RHODESIA, SOUTH AFRICA,  
ANGOLA, AND POSSIBLY GAMBIA. ACORD EXPLAINED THAT SOME COUNTRIES  
ARE NOT READY FOR INDEPENDENCE BECAUSE OF LACK OF EDUCATED  
PERSONNEL, RENDERING THEM VULNERABLE TO COMMUNIST TAKEOVER. HE  
STATED RHODESIA'S RULING ELEMENTS ARE EDUCATED AND STRONG ENOUGH  
TO WITHSTAND COMMUNIST SUBVERSION AND THAT THE UNITED STATES  
THEREFORE SHOULD RECOGNIZE RHODESIA AS AN INDEPENDENT COUNTRY  
AND GIVE IT MORAL SUPPORT.

Enclosed for the Bureau are five twenty dollar bills, Series 1950-C, #17391420-B; Series 1950-D, #L79720486-C; Series 1963-A, J18188666A; Series 1963-A, #E20045805-A; Series 1963-A, #145798320-A, property of the State Revenue Department, Lewisville, Arkansas.

On May 9, 1968, [redacted] Arkansas State Revenue Office, Lewisville, Arkansas, advised that on May 8, 1968, at approximately 11:00 AM, she sold a non-titled Arkansas trailer license # ST-39525 for a Sheriton House Trailer to a man using the name JOHNNY R. SMITH, Dogwood Trailer Park, Blytheville, Arkansas. She also sold him a non-titled Arkansas trailer license #ST-39528 for a smaller luggage type trailer. This man paid for both licenses with a twenty dollar bill.

During her lunch period, [redacted] was reading the Shreveport, Louisiana, Times newspaper and observed the photograph of JAMES EARL RAY on the front page. She stated that this photograph resembled the man she had sold the above-described license plates to.

On May 9, 1968, [REDACTED] State Revenue Inspector, Arkansas Revenue Department, Lewisville, Arkansas, advised that only five twenty dollar bills were taken in by her office on May 8, 1968. She made available the five twenty dollar bills described above.

The Bureau is requested to conduct an examination for latent prints on the enclosed twenty dollar bills and compare any prints found with those of JAMES EARL RAY, FBI # 405 942 G, and return evidence immediately upon completion of requested examination.

At the time that the clerk sold the above-described trailer license, the person using the name JOHNNY R. SMITH exhibited a Tennessee title for the trailer on which the name JOHNNY R. SMITH was listed with the address 3800 or 3900 block Lamar Street, Memphis, Tennessee. The Memphis Office has determined that JOHNNY R. SMITH, to whom the trailer was titled and who resided at 3597 Lamar Avenue, Memphis, Tennessee, died on November 27, 1966, and, according to Bureau of Vital Statistics, was buried at Hernando, Mississippi. The Memphis Office is causing investigation to be conducted to identify the next of kin of SMITH in an effort to identify the individuals who purchased Arkansas trailer license.

## Asks Juster Of Hoover In King Case

Milwaukee (AP)—An official of the American Civil Liberties union said last night that J. Edgar Hoover, director of the FBI, should be removed from the investigation into the assassination of the Rev. Martin Luther King because "he is not credible" as a fair investigator of the slaying.

Charles M. Morgan, jr., of Atlanta, southern regional director for the A. C. L. U., told the annual awards dinner of the Wisconsin Civil Liberties union that in November of 1964 Hoover had called King "the most notorious liar in the country." Morgan said he was quoting from a national news magazine account of a Hoover statement to women reporters.

He also said King and Hoover had differences four years ago on the alleged lack of FBI protection for civil rights workers.

Morgan said Hoover should be replaced by someone "in whom Negroes and all other Americans can have faith and confidence."

automatic pistol, Serial Number PA 18949

Results of examination:

The bullet which was previously submitted by the Atlanta Office as having been removed from the body of Robert Joseph Dunaway consisted of a portion of the lead core from a metal jacketed bullet. No barrel markings of the type necessary for identification of the weapon from which this bullet was fired are present on this bullet. Therefore, no comparison between this bullet and the test bullet in K275 is possible.

There are no specimens in the National Unidentified Ammunition File which could have been fired from the same weapon as the test bullet and cartridge case, K275.

No previous record of the weapon represented by K275 was located in the National Stolen Property Index or the National Crime Information Center.

Specimen K275 is being returned to Atlanta herewith.

- INFORMANTS -

In accordance with the instructions set out in Bureau teletype to all SACs, dated April 22, 1968, and Memphis airtel to Knoxville, dated April 7, 1968, all criminal informants and appropriate racial and security informants were contacted relative to any information concerning this matter.

By teletype dated April 26, 1968, the Bureau advised that on February 26, 1965, the Los Angeles "Herald Examiner" stated in effect that KEITH D. GILBERT, a Minuteman, had dynamite, was a racist, and was a threat to the life of MARTIN LUTHER KING.

The same communication stated that [REDACTED] advised that [REDACTED] told him that they would not make the same mistake again and next time a high powered rifle would be used on KING.

By teletype dated April 29, 1968, the Miami Office advised the Bureau and Memphis as follows:

[REDACTED] was contacted April 26, 1968, and April 29, 1968. He advised he has almost daily contact with [REDACTED] who has not expressed any unusual interest in or knowledge of KING's death. He said [REDACTED] has not taken any recent extended trips from the Miami area and there has been no unusual activity around [REDACTED] home. He said [REDACTED] main interest presently seems to center around a "conservative church group" from South Carolina. He said [REDACTED] is getting old, not in good health, and appears to have some financial problems and therefore his activities have been limited.

I. INVESTIGATION AT PALM SPRINGS, FLORIDA,  
REGARDING [REDACTED], WHO SERVED  
TIME IN THE MISSOURI STATE PENITENTIARY  
WITH JAMES EARL RAY

---

MM 44-1854

DNJ:vc

1.

Information was developed through interview of [redacted] Georgia, who was acquainted with JAMES EARL RAY in the Missouri State Prison, which indicated that another former inmate of the Missouri State Prison, [redacted], was currently residing at [redacted] Palm Springs, West Palm Beach, Florida.

The following investigation was conducted at West Palm Beach on April 26, 1968, by Special Agents [redacted] and [redacted].

## FEDERAL BUREAU OF INVESTIGATION

Date 4/27/68

[redacted] was informed of the identities of the interviewing agents and the nature of this interview.

[redacted] advised he is presently living in [redacted] Palm Springs, with his wife [redacted] and five month old baby.

[redacted] stated he had been an inmate in the Missouri State Penitentiary for three years and while confined there he had met and known JAMES EARL RAY. He stated he was not very close or friendly with RAY but he did eat with him a number of times when he was in the kitchen visiting with his friend, [redacted]. He said he also watched a number of ball games and television programs with RAY.

[redacted] described RAY as being a guy who knew his way around but was not one of the wheels or leaders in prison; that RAY was a sharp intelligent guy who hung around with the boys who were always up to something and were in on all of the deals. [redacted] advised RAY never seemed to have a lot of money but always seemed to have enough to get whatever he wanted.

[redacted] said most of the guys (he cannot recall their names) that he, RAY, was with most of the time were on dope and were peddling it.

[redacted] continued by saying that RAY's big buddy was [redacted] who was a "big wheel" and the guy who ran the prison kitchen with "an iron hand." [redacted] stated [redacted] was the guy who got RAY into the kitchen which was a good deal (job).

[redacted] advised that [redacted] handled dope and peddled it in the Missouri State Penitentiary and he believes he is now in prison somewhere in Florida. He said that [redacted] would know for certain if RAY had been on dope and where and who he got the dope from.

On 4/26/68 at Palm Springs, Florida File # Miami 44-1854

SAs [redacted] and [redacted]

REI

Date dictated 4/26/68

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

[redacted] further advised that [redacted] "a cut and dried con," who worked in the tag plant of the prison, was one of the leaders and knew RAY well and he might be able to furnish information about him if he would talk to the FBI.

[redacted] related that [redacted] also knew RAY pretty well and would know more about him than he did since they both worked in the kitchen together for quite a while. He said [redacted] had been living in Georgia.

[redacted] stated there had been trouble with some of the Negro prisoners in the Missouri State Penitentiary who were Black Muslims so some of the prisoners decided to teach them a lesson and three or four of the Negro leaders were killed. [redacted] stated he did not know if RAY was in on the actual killing, but he was close with the ones that did it and therefore could have been in on the killing or at least he knew who did kill the Negroes.

[redacted] would not make any further statements about the killing of the Negroes in the Missouri State Penitentiary and he stated he could not furnish any names or identities but he did say there were ten inmates who were in on the killing of the Negroes.

[redacted] said he could not recall RAY saying too much about Negroes and he does not believe from his conversations with RAY that he, RAY, was a racist, however, all of the inmates in the Missouri State Penitentiary did not like the Negroes because of their belligerent attitude and animosity toward the white inmates.

[redacted] stated RAY liked to wear his hair short in the summer months and long in the winter. He said RAY used to have a "butch" cut in the summer months.

██████████ stated from his association with RAY that he felt RAY would have a .45 automatic "stashed" on his person somewhere and he would not give up or be taken without a fight. ██████████ said RAY is a "killer" in his opinion and that RAY would not be easy to catch or find. ██████████ said RAY is "a city boy" and he does not figure him to be hiding out in the country. However, ██████████ stated he would not figure RAY would hide out in a really big city like New York, but would pick one about the size of Houston, Texas.

██████████ said he could not recall RAY telling him or mentioning any place in particular he, RAY, always wanted to go to or visit, but he felt RAY would be in a warm climate rather than a cold one.

██████████ stated he had not been contacted or heard from RAY since he got out of the Missouri State Penitentiary over two years ago and to the best of his knowledge RAY would not know where or how to contact him.

██████████ advised he had visited ██████████ in March, 1968, in ██████████ home in ██████████ Georgia, for a few days. He said that ██████████ is his best friend.

██████████ continued by saying he recognized the name of ██████████ and he thinks ██████████ was ██████████ in the prison guard force, but he did not know him and/or if ██████████ peddled dope in the pen.

██████████ stated he felt that there was a possibility RAY's escape was engineered by and assisted by outside help but he did not have any knowledge about it. Also he stated just about anything is possible with outside help and money, however, escape from the Missouri State Penitentiary is something else and is just about impossible in his opinion.

[redacted] stated he did not feel badly about MARTIN LUTHER KING getting killed, but he was sorry it happened in Memphis, Tennessee, and he would have rather seen KING killed in some Northern city. [redacted] said he is a Southerner and his feelings are Southern.

[redacted] stated that he is of course interested in the reward money and he could certainly use it. However, he said he really does not know if he would turn RAY in or not for the reward money if he had the opportunity. [redacted] stated he was certain RAY did the killing of KING himself and not involved with anyone else. [redacted] stated that he wanted to be honest with the FBI and he would have to think about this a couple of days as to whether or not he would or would not turn RAY in if he knew his possible or current whereabouts.

[redacted] stated he really does not know where RAY is and he said that RAY had not contacted him and he had not seen RAY for over two years.

[redacted] continued by saying he was a little surprised when he learned from the newspaper and television that RAY had been identified as KING's killer because he always figured RAY as being a guy that would be too smart to leave any clues or evidence around so that the police or the FBI would be able to trace and/or identify him.

[redacted] examined the photographs of RAY and said he would never recognize him with the tuxedo and bow tie outfit on and further he said he never saw RAY with his hair long as it is either. However, he said the guy with the bow tie and tuxedo on is RAY.

of Miami from April 4, 1968 through April 10, 1968. He also  
made available the appropriate lists concerning each vessel.

He also furnished copies of form entitled, "Record

pleasure craft which arrived and was cleared by Customs  
during the period April 4, 1968 through April 9, 1968. He  
also made available for examination the appropriate lists  
concerning each vessel.

The foregoing lists made available by [REDACTED]  
were examined in detail, and it was found none of them listed  
anyone with the following last names:

GALT

LOWMEYER

LOWMYER

WILLARD

[REDACTED] Outside  
Division of Inspection and Control, U. S. Bureau of Customs,

Dodge Island, made available the alphabetical listing of passenger baggage declarations for all persons departing the Port of Miami via Chalk Airlines during the period April 1, 1968 through April 10, 1968. These declarations failed to list anyone with any of the last names previously mentioned.

[REDACTED], Marine Desk, Immigration and Naturalization Service (INS), advised his records would contain only the names of aliens departing on foreign flag clearances and the notification of any change in the crew of a foreign flag vessel. His records were reviewed and were found to duplicate those maintained by the Bureau of Customs and the shipping lines, which are set out below, but which were checked prior to the interview of [REDACTED].

It was determined further from [REDACTED] that the following are the cruise ships operating on regular schedules out of the Port of Miami:

"SS Ariadne"  
(Eastern Steamship Company)

"Bahama Star"  
(Eastern Steamship Company)

"Jamaica Queen"  
(Canadian Gulf Line)

"Sunward"

The "Cabo Izarra" neither arrived nor departed during the pertinent period. The "SS Ariadne", "Bahama Star" and "Sunward" all departed on both April 5, 1968 and April 8, 1968, and the "Jamaica Queen" departed on April 8, 1968. The passenger manifests for all of the above trips had been previously made available by [REDACTED] who also had records of all crew changes.

The following investigation was conducted by SAs [REDACTED], and [REDACTED] at Miami International Airport (MIA) on April 15, 1968:

A list was procured from the U.S. Bureau of Customs which shows all departing flights from MIA to foreign destinations. The passenger manifests of each flight were made available and were examined. No person with any of the last names previously set forth was noted as a passenger or crew member on any of the flights. The list of such flights and persons contacted at each airline will be maintained in the files of the Miami FBI Office.

The following investigation was conducted at Key West, Florida on April 11, 1968, by SA [REDACTED]

The following investigation was conducted by SA [REDACTED] at West Palm Beach, Florida on April 11, 1968:

Inquiry at U.S. Bureau of Customs and INS established that neither agency maintains adequate records of departure, which necessitated contacting the following-named carrier agencies regarding the names ERIC STARVO GALT, also known as Gault, HARVEY LOWMEYER, also known as Lowmyer, and JOHN WILLARD. The passenger manifests of the following carriers, examined from April 4, 1968 through April 11, 1968, did not reflect any reference to any of the above-named individuals:

INVESTIGATION REGARDING MICHEL ST. PIERRE  
AND STOLEN 1967 CADILLAC, BEARING VEHICLE  
IDENTIFICATION NUMBER F7112795

On April 30, 1968, the Atlanta Office of the FBI advised that on November 30, 1967, a 1967 Cadillac DeVille, VIN F7112795, bearing 1967 Florida license 1W 179130, was found abandoned at the Atlanta Airport. It had been determined that this car was stolen on August 21, 1967, from Montreal, Canada, while in the possession of LOU EISENBERG.

Investigation reflected this car was registered to a MICHEL ST. PIERRE, 2151 N.W. 119th Street, Miami, Florida. It had been determined that the Famous Door Lounge was located at this address, however, no one by the name of ST. PIERRE was known at that address. Mail had been received at the Famous Door Lounge, in particular, correspondence from the Phillips 66 Petroleum Company for ST. PIERRE.

On May 1, 1968, the Kansas City Office determined that Phillips Petroleum records reveal that a MICHEL ST. PIERRE, 2151 N. W. 119th Street, Miami, Florida, made three purchases of Phillips products using a Shell credit card. This card number was determined to be [REDACTED]. The card was used three times for boat rentals on September 1, 2, and 3, 1967, at Craft Limited, Inc., Oakland Boulevard Bridge, Ft. Lauderdale, Florida.

On May 1, 1968, checks in the vicinity of 2151 N. W. 119th Street, Miami, Florida were conducted regarding a MICHEL ST. PIERRE by SA [REDACTED] and all checks met with negative results.

On May 2, 1968, SA [REDACTED] conducted the following investigation at Ft. Lauderdale, Florida:

A MICHEL ST. PIERRE, [REDACTED] (local address 2151 N. W. 119th Street, Miami), rented boats from Crafts Limited, Inc., Ft. Lauderdale, Florida, September 2 and 3, 1967. He used a Shell credit card [REDACTED] to pay for these rentals and gas and oil.

Agents for Crafts Limited, Inc. viewed photographs of RAY and were unable to identify. Telephone number appearing on contract was ~~514-1111~~. Area code ~~514~~ determined to be area code for Montreal, Canada vicinity.

JENNIFER WARNER, Title Clerk, Scott Motors, Hallandale, advised she handled transfer of title for MICHEL ST. PIERRE at request of ANGELO CIULLA, owner, Autorama, Ft. Lauderdale, Florida. Autorama was determined to be out of business and CIULLA is currently being sought for interview in connection with an automobile ring involving Canadian cars. His present whereabouts is unknown.

In connection with this car ring case, it was determined that CLAUDE DAOUST, an alias of JEAN-CLAUDE BISSONNETTE, was arrested on September 12, 1967, in Montreal, Canada. When arrested, BISSONNETTE had in his possession a Shell credit card in the name of MICHEL ST. PIERRE, 2151 N. W. 119th Street, Miami, Florida, and a Florida registration issued August 31, 1967, for a 1967 Cadillac convertible, VIN F7112795, Florida registration 1W 179130.

On May 2, 1968, two rental agreements between Crafts Limited, Inc., Ft. Lauderdale, Florida, and a MICHEL ST. PIERRE dated September 2-3, 1967, bearing renter signature MICHEL ST. PIERRE together with three Shell credit card invoices bearing the same signature were furnished to the FBI Laboratory for handwriting examination.

On May 6, 1968, the FBI Laboratory concluded that the MICHEL ST. PIERRE signatures on the credit cards and the rental contracts were not prepared by JAMES EARL RAY.

On May 9, 1968, the FBI Laboratory advised that none of the latent fingerprints developed on the credit cards or rental agreements were identical with the fingerprints of JAMES EARL RAY.

On May 6, 1968, the Albany Division of the FBI located MICHEL ST. PIERRE in Vermont, Quebec, Canada. ST. PIERRE advised at this time he lost his credit cards on August 1, 1967.

Date

Tilford Flying Service, Palm Beach International Airport, West Palm Beach, Florida, advised persons identifying themselves as [redacted] and his wife, [redacted], arrived at that airport during the late afternoon of April 5, 1968, in a private Beechcraft Debonair, Number [redacted], from Memphis, Tennessee, en route to the Bahamas. They returned from the Bahamas during the afternoon of April 8, 1968, intending to return to Memphis that date, but learned the Memphis airport was closed. They did depart West Palm Beach in the above aircraft, which [redacted] was piloting, to go on towards Memphis, but did not file a flight plan, which is not required, so their exact immediate destination was not known.

[redacted] said [redacted] was using a credit card in the name of [redacted] Memphis, Tennessee, which is the address of [redacted] Memphis. She described [redacted] as about 40 years of age, 5'10" tall, 185 pounds, with a fair complexion and brown or sandy-colored hair. She said his hairline was somewhat receded and thinner in front than in back, making it appear somewhat sandy in front and more brown in back. The hair was combed straight back. He is built wider in the hips than in the shoulders, and appeared to be slightly knock kneed and had a slight paunch. [redacted] was described as about 27 years of age, 5'8" tall, 145 pounds, with brown hair. [redacted] noted neither [redacted] nor [redacted] were wearing wedding rings.

[redacted] said when [redacted] first arrived at the terminal in West Palm Beach and she learned he was from Memphis, she mentioned what a nasty thing the killing of MARTIN LUTHER KING was. [redacted] took an attitude of no remorse about this, and indicated KING got just what he deserved; that he was just making things bad in Memphis, and that was the reason they got out of Memphis for a while. [redacted] then said she would not want to shoot anyone or have anyone shoot her, and no response was made to this, but [redacted] gave her a very "dirty look." On learning of his return trip that the Memphis airport was closed, apparently because of the KING matter, [redacted] again voiced disgust, indicating

He knew JAMES EARL RAY for quite some time [redacted] at the Missouri State Penitentiary (MSP). He had had some minor dealings with RAY in poker. RAY himself played very little poker, but he would lend money to inmates who did play poker at the "3 for 2" rate requiring \$3 to be repaid for every \$2 loaned. RAY was "too tight" to play poker, and even when he loaned money at the exorbitant interest rates he required some kind of collateral. If RAY was a "walk man" in the MSP, having reference to an inmate whose duties called for his moving freely around the cell block, then RAY would have been a carrier for the usual prison lotteries dealing with numbers and parleys over ball game scores, in which cigarettes were bet, and the "walk man" would deliver the numbers slips and the winners' cigarettes, and would be paid a percentage by the inmate who ran the lottery through this association, but the "walk man" would perform the service strictly for his commission and would not necessarily be "close" to the person running the lottery, but would be selected because he had access to other inmates' cells. He has no information that RAY was ever a "walk man" or ever engaged in lotteries as described above.

In his conversations with RAY he learned that RAY was more interested in Mexico than in Canada. In speaking of places to go to "cool off" or "hide out", he suggested to RAY that it would be easier for a white American to hide out in Canada than in Mexico, since his skin color and language would be the same as the natives, but RAY had spent some time in Mexico and apparently liked the area and he expressed very little interest in Canada.

RAY discussed a newspaper article which was published in which an Italian criminal's escape to Italy from the U. S. was apparently accomplished through his obtaining a Canadian passport, and it was suggested and RAY was apparently aware of the custom of the Episcopal Church and Church of England and its branches in Canada of keeping baptismal records and records of birth for years, which records would be easily accessible to anyone wanting to assume a new identity. They discussed how one could go to a medium-sized Canadian city, find records of birth through an open, easily accessible church, for an individual about one's own age, verify through local inquiry or source material that some such person is deceased, then write to the Provincial capital of that province requesting a copy of the birth certificate for that person, thereby securing documentary evidence of a new identity to use in securing a Canadian passport. RAY did not express a great deal of interest in this process and made no mention of planning to use such a technique to escape or change his identity. He did not say anything about any plans to go to Canada or to Mexico and thereby to a third country, and he never mentioned any interest in Rhodesia or other country with a view of flight there in hopes of avoiding extradition. RAY did say that he had considered Australia as a place to go to avoid apprehension for a wanted person, but indicated that he had dismissed Australia as a refuge because of the sparse population and the lack of tourists. RAY told him that he had written to Queensland, apparently before 1962, to some Government agency inquiring about the type of employment available there for foreigners, but his conversation indicated he had no interest in Australia at that point.

Most of RAY'S conversation revolved around Mexico when speaking of places to go after "pulling some job". He made no mention of narcotics smuggling to Mexico, and he did not say how he planned to obtain the "big haul" he wanted to make in order to "retire", other than that he might happen onto a large supermarket with a lot of money on hand which he could rob. He did not mention any specific supermarket or area of the country in this regard. From his conversation, he felt that RAY had actual experience in and knowledge of

smuggling small appliances into the Campeche Bay area of Mexico for resale. He mentioned that there were some dollars to be made in this racket with a very small investment required. RAY'S associate [REDACTED] or [REDACTED] or some similar name previously described by [REDACTED] as described by RAY was a real person, and [REDACTED] remembered the name he gave because it was similar to the name of a "wet back" he had known previously in prison.

RAY spoke of the possibility of obtaining colored contact lenses to wear to change the color of his eyes in avoiding detection. RAY did not say where he would try to obtain contact lenses or that he had actually ever tried to obtain them or that he had ever worn contact lenses. RAY'S eyes as [REDACTED] recalls them are a faded, pale blue, or "sky blue", and he would want to darken the appearance of his eyes in changing his appearance. He told [REDACTED] how he had experimented in the past on portions of his skin covered by his clothing with staining his skin a darker color using some kind of "walnut dye". He had apparently tried the dye out of curiosity to see how long the stain would last, and he told [REDACTED] that the dye would "just have to wear off". As to changing his appearance, [REDACTED] feels it is significant to note that RAY'S weight would vary greatly from month to month. RAY would go through periods of weight-lifting, strictly for the exercise, and he would occasionally become concerned over his weight from a health standpoint and would lose weight quickly. RAY was not a competitive weightlifter and would probably not seek out a gymnasium to practice weightlifting, but he was concerned over a heart problem he imagined that he had, and he wanted the exercise to strengthen his heart. He mentioned that he knew it would be easy to obtain a fictitious Social Security card simply by filling in a form in any name, state that he had been self-employed, and he would be mailed a new Social Security card. He did not mention any problem with regard to obtaining a driver's license under an assumed name.

RAY told [REDACTED] about a shack he rented on the outskirts of Campeche, Mexico, and how he had considered the possibility of buying the shack instead of paying rent. Money and not paying more for anything than necessary was of constant concern to RAY. He told [REDACTED] of the difficulty in

Mexico for a foreigner to own any property. He told of the practice of "Rentista Papers" through which a foreigner by paying a fee could receive permission from the Mexican Government to own a small business in Mexico or purchase property on a small scale in Mexico. He mentioned how it was an effort to have anything done by local Government officials in Mexico since everyone moved so slowly, and how in order to obtain "Rentista Papers" one would apparently have to pay two or three persons "under the table" a few pesos in order to get the papers through the Government red tape, and from his conversation, it appeared that RAY never was in Mexico long enough to wait out the process of obtaining "Rentista Papers".

# Memorandum

TO : Mr. Bishop *JB*

DATE: 5-21-68

FROM : M. A. Jones

SUBJECT: MURKIN

Early this month, the Director turned down a request from Jerry O'Leary (a reliable contact at "The Evening Star" who has written two outstanding articles regarding the Director) and "The Reader's Digest" for an article to be written for that magazine by O'Leary regarding the Martin Luther King investigation. Both O'Leary and "The Reader's Digest" have expressed continued interest in this matter; and the purpose of this memorandum is to set forth reasons why, at this point in the investigation to locate James Earl Ray, it is felt additional consideration should be given to such an article.

In February, 1968, when Hobart Lewis (President and Executive Editor of "The Reader's Digest") came to the Bureau with Associate Editors John Barron and Kenneth Gilmore, they discussed with the Director the possibility of publishing another article concerning one of our "Ten Most Wanted Fugitives." (It will be recalled that in the Fall of 1960, an article in "The Reader's Digest" concerning fugitive Joseph Corbett, Jr., the kidnapper of Adolph Coors III, produced leads from readers of the magazine which resulted in the apprehension of Corbett in Canada.) At the time of this visit, the Director told Mr. Lewis that we would remain alert for another "Ten Most Wanted Fugitive" to be featured in the magazine.

In the Coors case, inestimable savings of investigative time and funds resulted from publication by "The Reader's Digest" of the article regarding fugitive Joseph Corbett, Jr. Many of the same elements as existed in the Coors case also are found in the King investigation--prominent victim; intense public interest in the case; and the fugitive in both instances being a prison escapee with a reputation as a "loner" and a penchant for using fictitious names and backgrounds to conceal his true identity.

It was the broad international circulation of "The Reader's Digest" which produced the leads that resulted in Corbett's arrest in Canada.

M. A. Jones to Bishop Memo  
RE: MURKIN

In the King case, we again are dealing with a fugitive known to have been in both Canada and Mexico during the past year, and who may be out of the United States at this time. "The Reader's Digest" has a large readership throughout the Western Hemisphere. Last month, for example, the Legal Attache in Buenos Aires, Argentina, advised that through its Spanish and Portuguese editions, "The Reader's Digest" receives "the widest distribution of all mass communications media in this area"--and he suggested the possibility of an article regarding James Earl Ray in "The Reader's Digest."

Jerry O'Leary

He has done a tremendous amount of reading, interviewing and "reportorial digging" on the King case in Memphis, Birmingham, Atlanta and other places. Other newsmen consider him the best-read and -informed writer on the King case, and this is why "The Reader's Digest" sounded him out on this assignment.

In view of his strong background in this case, O'Leary could, of course, write an article on his own concerning fugitive James Earl Ray. Naturally, if such an article is to be published, it would greatly be to our advantage to have the benefit of reading it, and offering any changes we feel necessary, prior to publication.

It is O'Leary's intent to limit the article to material which has previously been published, together with what he has dug up himself with regard to Ray's background and character traits.

O'Leary has pointed out that day-by-day the true facts of this case and the accurate picture of fugitive James Earl Ray are being thrown more and more out of focus by the distorted articles written by such irresponsible characters as Louis Lomax. He feels that "The Reader's Digest," with its multimillion circulation in the United States and abroad, affords an excellent medium for straightening out the misrepresentations of others, as well as for producing leads which (as in the case of Joseph Corbett, Jr.,) may possibly assist in the apprehension of "Ten Most Wanted Fugitive" Ray.

#### RECOMMENDATION:

That we extend to O'Leary and "The Reader's Digest" the same cooperation in regard to an article on "Ten Most Wanted Fugitive" James Earl Ray as was rendered in the Joseph Corbett, Jr., fugitive investigation.

SAC JOSEPH H. GAMBLE while in Montgomery, Alabama, on other official business on 5/16/68, secured a list of approximately 4500 licensees of the Alabama Alcoholic Beverage Control Board which establishments are licensed to serve beer and/or "minutres" at their premises. Birmingham is considering distribution of Identification Order of subject RAY to each of these establishments. Arrangements may be effected through the Auto Typist Letter Service of Birmingham for addressing the IO's at a rate of \$30 per 1,000 which is considered reasonable and cheaper than it could be done by Bureau personnel.

Bureau advice is requested as to whether the above distribution is considered warranted and whether the expenditure is authorized.

As regards the State controlled and operated liquor stores in the wet counties of Alabama, arrangements were effected for distribution of Identification Orders to each store without problem through the use of Addressograph plates.

This case involves the murder of Martin Luther King, Jr.

[redacted] was at Missouri State Penitentiary and has previously furnished background information regarding Ray. [redacted] has been reinterviewed and has advised as follows.

[redacted] Ray discussed a newspaper article concerning the escape of an Italian criminal from the United States to Italy through the use of a Canadian passport. Ray was aware that a Canadian passport may be readily obtained under a false identity. (This appears to be true and the Royal Canadian Mounted Police are checking all passports issued since Ray's escape from prison.)

Ray expressed more interest in hiding in Mexico than in Canada and did not seem impressed when [redacted] suggested it would be easier for an American to blend into the scene in Canada. Ray said he had once considered Australia as a place to hide and sometime prior to 1962 had written to Queensland inquiring about employment opportunities but had lost interest in Australia because it is sparsely populated and there are few tourists.

Ray spoke [redacted] about changing the color of his eyes by wearing colored contact lenses. He also said he had experimented on darkening his skin with a walnut dye that had to wear off.

[redacted] described Ray as too tight to play poker but said he loaned money to poker players and required repayment of \$3 for every \$2 loaned.

ERNEST EMIL JOSELLIS - SUSPECT - ELIMINATED

JOSELLIS shot himself, not seriously, on the early morning of April 16, 1968 while seated in his car in the southeast section of Portland. He claimed to Portland Police officers that he had been shot by "Communists" and to have been sent to the United States from East Germany by "Communists" to murder Negro civil rights leaders.

Investigation at his place of employment shows he was working the graveyard shift at [redacted] from 11:30 p.m., March 30, 1967 to 6:00 a.m., March 31, 1968. He quit his employment at [redacted] at noon, April 2, 1968.

His ex wife, [redacted] stated to Special Agent [redacted] on April 17, 1968, that JOSELLIS has telephoned her or seen her nearly every day since April 2, 1968 and was never out of Portland, Oregon, during April, 1968.

JOSELLIS was under sedation and could not be interviewed April 17, 1968, but Special Agent [redacted] observed him in the Portland Sanitarium Hospital, Portland, Oregon. He has a pug nose, very long wavy blond hair, and facial characteristics entirely dissimilar from those of JAMES EARL RAY.

INVESTIGATION IN VICINITY OF ROGUE RIVER, OREGON

By communication dated April 23, 1968, the Kansas City Office advised that ~~James Earl Ray~~ Warsaw, Missouri, furnished the following information requesting that his identity not be disclosed to persons interviewed:

He stated that while serving sentence in the Missouri State Penitentiary, he became acquainted with JAMES EARL RAY. He recalled that RAY frequently mentioned his liking for the Rogue River area of Oregon and got the impression that RAY had lived in that area and possibly had relatives there. He never heard RAY mention any relatives. RAY gave the impression that he was familiar with sawmill work in Oregon and "riding on a chair while sawing logs". ~~James Earl Ray~~ got the impression that Rogue River as referred to by RAY was a town in Oregon. RAY would talk about fishing and mentioned fishing in streams. ~~James Earl Ray~~ believed this to be trout fishing. RAY spoke of logging in a pond in the Rogue River area and spoke of sawmill type work in that area of Oregon of which he was fond.

The Kansas City Office advised that they have no information indicated that RAY has relatives or associates in Oregon.

There is a city named Rogue River in Southwestern Oregon. It has a population of about 700 and is in the center of the logging industry of Southwestern Oregon. A famous fishing river, namely, the Rogue River, runs through the city. There are numerous sawmills in Southwestern Oregon as well as other parts of the state inasmuch as logging is the principal industry in the State of Oregon.

Only small sawmills in this area have a man riding on the saw carriage back and forth as the log is sawed. For nearly the past 20 years, the "sawyer"s has not ridden on the saw carriage. The man who rides is known as a "setter" and his job is to fit the "dogs" in the logs. He is given instructions by the "sawyer" by finger signals to set the log for cut (1 inch, 2 inch, 3 inch, 4 inch, etc.) by number.

of fingers shown. The "sawyer" remains in a stationary position, operating the controls; he is a highly skilled and highly paid workman, and usually an older, experienced man. Even the job of "setter" is a key job and it is unlikely that RAY, who was only 31 years of age before his most recent incarceration, and who could have had only limited mill experience because of his frequent incarcerations, would have been given any such job in a mill.

All the larger mills have had automated saws for the past 25 years or more, and no one rides back and forth on the saw carriages of such installations.

The majority of the small mills, which would have been using the older type equipment prior to 1960 are so-called "gyppo" mills, operate non-union, and frequently go out of business, change ownership, or change location. The chances of finding a small mill in the same location and with the same ownership as in 1960 are slim. This also applies to the chances of finding employment records.

For the above reasons, circularization through union sources will likely prove non-productive. However, should circularization through union sources be desired, it can be accomplished at Portland, Oregon, through the only two unions to which saw mill workers belong, and can be accomplished for the eleven Western states, through addressograph equipment available at Portland, Oregon.

Since many workers do not come to the attention of the unions, even in union plants, and since the majority of the smaller mills are non-union, a more effective method of circularization would be through employment groups including many non-union mills. The names and addresses of these employer groups have been obtained.

CHECK OF OREGON DRIVERS LICENSE RECORDS  
CONCERNING MALES BORN JULY 20, 1931

In accordance with instructions received from the Bureau on April 16, 1968, arrangements were made with the Oregon Department of Motor Vehicles, Salem, Oregon, to obtain a list of males born July 20, 1931, as contained in the records of the Oregon Motor Vehicles Drivers License Division. In accordance with the instructions furnished by the Bureau, Negroes, males over 6'0" tall and males under 5'7" tall were not included in the list.

The Oregon Department of Motor Vehicles furnished a list of twenty-seven white males born July 20, 1931, and with the above height limits.

Leads were set out on April 18, 1968, to have these twenty-seven men checked out as suspects in this case.

On April 20, 1968, the following receipt of information from the Bureau advised that JAMES EARL RAY, born March 10, 1928, had been positively identified as identical with "ERIC STARVO GALT." Investigation concerning these twenty-seven suspects was discontinued since the date July 20, 1931 was no longer relevant to this investigation.

By communication dated May 3, 1968, the Memphis Office concurred with this decision since this lead is no longer of value.

THERMO SEAL MARKING TAPES

Immediately upon receipt of instructions, April 9, 1968, that investigation should be conducted to determine whether laundry marks were made by a Thermo Seal Marking Machine, the following investigation was conducted by SA [REDACTED]

It was determined from LARRY B. GERVAN, Laundry and Dry Cleaning Department, Van Waters and Rogers, 3950 NW Yeon Boulevard, Portland, Oregon, that only sixteen laundry or dry cleaning establishments in Oregon use Thermo Seal Marking Machines. A list of these sixteen businesses was obtained from Mr. GERVAN, and all sixteen were contacted telephonically. In each instance, the laundry marking involved was gone over with the company representative carefully and in all instances, the persons contacted advised that this is not their laundry mark. All stated that their Thermo Seal Marking Machines began with either one numeral or two numerals rather than a letter such as "D" or "O". None of them use "O" as a prefix.

By communication dated April 10, 1968, the Albany Office furnished a list of businesses in Oregon which allegedly use Thermo Seal Marking Machines. A check of the file disclosed that all of them had been contacted as above except the Eagle Cap Laundry and Cleaners, Enterprise, Oregon.

It was determined that the Eagle Cap Laundry and Dry Cleaners, Enterprise, Oregon, went out of business over a year ago. The former owner is GERALD GOODMAN who now works for the [REDACTED] Umatilla, Oregon.

GERALD GOODMAN [REDACTED] Hermiston, Oregon, informed SA [REDACTED] that he went out of business, January 1, 1967, and no one has taken over the Thermo Seal Machine which GOODMAN formerly used. The machine actually has not been used since sometime in October, 1966.

GOODMAN stated that he never used a mark similar to the pertinent marks in this case in that he used only a lot number and date but never any letters.

By communication dated April 26, 1968, the Seattle Office advised that a Thermo Seal Machine, formerly owned by Most Western Laundries, formerly Hoquiam Steam Laundry and Dry Cleaners, Hoquiam, Washington, had been sold in 1964 to Stacey's Cleaners, Portland, Oregon. Stacey's Cleaners had already been interviewed and was among the above described sixteen businesses previously contacted.

Tennessee, Folio No. 42754, in the name [REDACTED]

Q350 Registration card of the Wm. Len Hotel, Memphis,  
Tennessee, Folio No. 42761, in the name [REDACTED]

Result of examination:

It was concluded that the hand printing appearing on Q349 was not prepared by James Earl Ray, K171, K211 and K257. Differences were noted between the handwriting appearing on Q350 and the known handwriting of Ray, but because of the distorted nature of the questioned material on Q350 a definite opinion could not be reached.

Q349 and Q350 will be returned separately. Photographs were made.

Specimens received 5/21/68

Q347 Envelope postmarked "Mansfield, Ohio APR 23 1968 PM"  
bearing typewritten address "Rev. Hal Lloyd United  
Presbyterian Church Germantown, Pa."

Q348 Accompanying sheet of white paper bearing typewritten  
message dated April 17, 1968, beginning "This may be  
the..." and signed "Eric S. Galt"

Result of examination:

Specimens Q347 and Q348 were searched through the appropriate sections of the Anonymous Letter File but could not be identified with any prior submissions to this file. The watermark "Four Star Bond Southworth Co. USA 25% Cotton Fiber" appears on Q348. The Southworth Company is located in West Springfield, Massachusetts. No indented writing or other identifying features were noted on Q347 and Q348 which might indicate the immediate source of these two items. The type-writing on Q347 and Q348 is not identical to that on other typewritten items which emanated from "Eric S. Galt." The signature on Q348 bears a pictorial resemblance to other signatures in the "Galt" name appearing on items previously submitted; however, the poor line quality and the presence of certain characteristics indicate that the signature on Q348 was not prepared by the subject, James Earl Ray. The typing habits, spelling, grammar, etc. of Q348 differ considerably from these features of previous Galt material.

Q347 and Q348 will be returned separately. Photo-  
graphs were made.

Re Minneapolis airtel 5/3/68.

On 5/9/68 J. TERRENCE WOLKERSTORFER, age 25 [REDACTED], St. Paul, Minnesota, advised SA [REDACTED] at South Bend, Indiana, that he is presently attending the University of Notre Dame and is also working for "Ave Maria" magazine, which is published on the campus of the university. He advised that on 4/6/68 he and JOHN C. TWOHEY flew to Atlanta to cover the burial of MARTIN LUTHER KING for "Ave Maria" magazine. WOLKERSTORFER and TWOHEY rented a car 4/7/68 from the Hertz Corp. in Atlanta, and TWOHEY drove it to Selma, Montgomery, and eventually to Birmingham, Ala., where he left it on 4/9/68 and flew to Chicago the same day.

WOLKERSTORFER advised that he stayed at the American Motor Hotel in Atlanta on 4/6 and 7/68 and then moved to the Sky Host Inn and stayed there until 4/9/68, when he checked out and flew back to Chicago.

WOLKERSTORFER advised that he did not see or hear anything concerning the murder of MARTIN LUTHER KING other than that which was published in the newspapers.

On 5/10/68 JOHN C. TWOHEY advised SA [REDACTED] that he did travel to Atlanta with WOLKERSTORFER in order to gather material for an article on the life and death of MARTIN LUTHER KING, which was to appear in "Ave Maria" magazine. Mr. TWOHEY advised that he did not see or hear anything that would be of value to the FBI concerning the death of Mr. KING while he was traveling through the South.

With regard to the body of the unidentified man discovered by Mexican Police, [REDACTED], Legat, Mexico, telephonically advised at 2:40 p.m., 5-11-68, he is unable to make comparison of fingerprints taken by local police with prints of Ray on wanted flyer due to very poor impressions obtained by local police and deteriorated condition of body when prints taken. The body has been reburied and another set of prints cannot be secured; therefore, the fingerprints will be sent to Washington, D.C., in order that an effort can be made by the Identification Division to identify or eliminate the prints with those in the fingerprint jacket of Ray.

[REDACTED] telephonically advised at 6:50 p.m., 5-11-68, the fingerprints noted above were being sent on Eastern Airlines Flight #910, scheduled to arrive at Dulles Airport at 10:04 p.m., and would be in possession of [REDACTED]. Also enclosed with these prints will be an envelope containing a blood specimen imbedded in sand which was furnished by Mexican Police.

[REDACTED] informed the local newspapers on 5-11-68, contained an article about the possibility the unknown body may be Ray and stated Mexican Police authorities had furnished fingerprints of the body to the United States Embassy for forwarding to the FBI. [REDACTED] was furnished this information.

Special Agent [REDACTED] Washington Field Office, was instructed to have a Bureau Agent meet the mentioned flight at Dulles Airport and deliver the prints to Room 6136, Identification Division Building. Mr. Latona of Identification Division was requested to arrange to have the fingerprints received from Legat, Mexico compared with prints of Ray and advise of the results.

Memorandum to Mr. Rosen  
RE: MURKIN

Mr. Bonebrake of Identification Division advised at 11:55 p.m., 3-11-68, it was not possible to make a determination whether the prints were or were not identical with those of Ray.

██████████ telephonically advised at 12:10 a.m., 5-12-68, the only other data available as to identification of the body in Mexico are photographs taken by local police and these photographs are not considered very good, especially in view of deteriorated condition of the body.

██████████ suggested the possibility be explored to have one of our experts come down to Mexico to act as a "consultant" in connection with obtaining a better set of prints, provided arrangements might be made to have the body exhumed again.

On 5-12-68, efforts are being initiated by Serology in the Laboratory to examine the blood samples to determine the possibility of any identifiable feature for use in future identification of the body.

This case involves the murder of Martin Luther King, Jr.

On 5/10/68 Mexican authorities discovered a body buried on the beach at Acapulco. Police described it as that of a white male, about thirty years old and believed to be an American. Police also said the body was decomposing and had apparently been both beaten and shot with death occurring about three days before the body was found.

Mexican police fingerprinted the body and buried it. The local press speculated that the body is that of James Earl Ray. The fingerprints taken by the police have been compared with Ray's fingerprints by the Identification Division but they are so lacking in detail that it is not possible to determine whether or not they are identical. An FBI fingerprint expert is en route to Acapulco to attempt to reach a positive finding as to whether this body is identical with Ray.

Circuit Judge John C. Casey, St. Louis, has advised the St. Louis Office he sentenced Ray to twenty years for armed robbery in 1959. This is the sentence Ray was serving when he escaped from Missouri State Penitentiary in April, 1967.

A motion was filed to vacate the above judgment because of alleged improper introduction of a signed statement, failure to afford a sanity hearing, perjured testimony on behalf of the State, faulty instructions to the jury, and failure to furnish the advice and assistance of an attorney at all stages of the proceedings. The motion was overruled but on 4/12/67 the Missouri Supreme Court reversed the order overruling the motion and the case was restored to the docket, 6/15/67.

Memorandum to Mr. DeLoach  
RE: MURKIN

Judge Casey further advised that John D. Schneider, a court appointed attorney, filed a document with the court, 5/1/68, stating that no court action is possible at this time in view of Ray's escape. This was published in the daily record of court activity, 5/8/68, but has not been picked up by the press.

[REDACTED]

Ray might recognize the possibility of reversing the armed robbery conviction and give himself up in the belief he could beat the King murder charge before a Southern jury.

[REDACTED]

The United States is not a party to the case pending before Judge Casey. It is a matter filed by or on behalf of Ray to overturn what is strictly a State conviction.

[REDACTED]

The original motion and supporting argument filed before Judge Casey were purportedly prepared by Ray. They have been described as being done in a very able manner and on a par with the work of practicing attorneys.

Memorandum to Mr. DeLoach  
RE: MURKIN

ACTION:

Every possible effort is being made to locate and apprehend Ray as quickly as possible.

May 23, 1968

**GENERAL INVESTIGATIVE DIVISION**

This case involves the murder of  
Martin Luther King, Jr.

Local Judge John C. Casey, St. Louis  
sentenced Ray to 20 years in 1959 for  
armed robbery. A motion to set aside  
the conviction was filed before Ray's  
escape and is still pending.

ASSASSINATION OF MARTIN LUTHER KING, JR.

*Offenbach*

On May 8, 1968, the body of an unknown deceased was found partially buried in a grave near Mahanoy City, Pennsylvania. A powder believed to be lime was also in the grave. The body was clothed only in shorts and an undershirt. The examining pathologist found three bullet holes in the chest cavity, body was in advanced state of decay, and pathologist stated in his opinion the body had been in the grave for six months.

On May 17, 1968, Dr. Wilton M. Krogman, archeologist, University of Pennsylvania, examined the body and stated that in his opinion the body had been in the grave only from four to six weeks and is of the opinion that the body is that of a middle-aged white male, five feet nine inches to six feet one inch in height, muscular build, weighing about 200 pounds, and descendant of Northern Italy or Central Europe.

According to the examination, there is no possibility of fingerprints being obtained, teeth in the upper jaw are missing or dislodged, but teeth in the lower jaw are intact and contain several fillings. Certain remains of the body are presently in possession of Pennsylvania State Police, Reading, Pennsylvania.

Although there is no indication that this unknown body is that of subject James Earl Ray, a comparison of the dental charts of Ray with the remains of the deceased is presently being conducted by the Pennsylvania State authorities.

NOTE:

On 5-8-68, a body of an unknown deceased clothed only in shorts and an undershirt was found partially buried in a grave near Mahanoy City, Pennsylvania. A powder believed to be lime was also found in the grave. The examining pathologist found three bullet holes in chest cavity and body in advanced state of decay. No possibility of fingerprints being obtained and pathologist stated he is of opinion body had been in grave for six months.

On 5-17-68, Dr. Wilton M. Krogman, archeologist, University of Pennsylvania, examined the body and stated he is of the opinion body in grave only four to six weeks and is also of the opinion the body is that of a middle-aged white male, five feet nine inches to six feet one inches in height, muscular build, 200 pounds, descendant of Northern Italy or Central Europe. The teeth in upper jaw missing or dislodged but teeth in lower jaw intact and contain several fillings. The lower jaw is in possession of Pennsylvania State Police who are retaining. Our Philadelphia Office suggested that the teeth of this unknown deceased be compared with dental record of James Earl Ray, the subject in the King assassination. Dental records as well as photographs of cavities of the skull concerning James Earl Ray, were obtained from the Missouri State Penitentiary and have been forwarded to our Philadelphia Office. Philadelphia has turned these records over to the Pennsylvania State Police and they are in the process of comparing these records with the remains of the unknown deceased. It is anticipated that it will take several days to complete the examination.

This letter is prepared in accordance with instructions of Mr. DeLoach, Assistant to the Director, as a result of his conference with the Attorney General on May 24, 1968. The Attorney General made inquiry concerning the unknown body recently recovered in Pennsylvania, and he was advised that the information would be forwarded to him.

### Puzzling Aspects Of Murder Hunt

Editor: Few would deny that the murder of the Rev. Martin Luther King has turned out to be a very strange happening in more ways than one.

To take just one example: after the murder, it was reported in the press that a man was seen to drop a rifle on the sidewalk near the scene of the crime. This rifle was first reported to be a Browning but later was said to be a Remington which was actually found in a rooming house. Quite a difference!

Next, we read that the Remington was in the possession of the FBI and that ballistic tests would be made to determine if the bullet which killed the Rev. King came from the Remington. Naturally, if the bullet was found there would be no problem. But, so far, I have seen no report from the FBI.

The presumption would be, of course, that the fatal shot was fired from the Remington, except for the puzzling fact that a published chronicle of events in the life of the prime suspect, Eric Stover Galt or James Earl Ray, or whatever his real name may be, states that as long ago as September 1967, the mystery man received a package in the mail from Chicago, weighing 20-25 lbs., 3 ft. long and 1 ft. wide.

This package could have contained a Browning and until such time, if ever, that tests prove the Remington bullet killed the Rev. King, the possibility remains that the shot came from another rifle, probably the Browning.

As things stack up today, at least in the minds of the general public, the question of who murdered the Rev. King must take a back seat to the question of what murdered him. Was it a bullet from the Browning or the Remington, if there were actually two rifles? In that case, the owner of the Remington might not have been the killer nor had anything to do with the crime.

The Remington could have found its way into the rooming house through the hand of someone else. If this seems farfetched, a little reflection will show that name switching and impersonation could make one person appear as two or two persons appear as one.

That something like this happened is made probable by the fact that the FBI has itself switched very recently from identifying its suspect as James Ray to saying he was Eric Galt. Indeed a very strange happening.

ENCLOSURE

RALPH DE TOLEDANO WRITES IN HIS SYNDICATED COLUMN THAT CERTAIN FBI INVESTIGATORS HAVE THEORIZED THE RED CHINESE MURDERED THE REV. MARTIN LUTHER KING THROUGH UNDERWORLD CONNECTIONS HERE IN ORDER TO CAUSE TURMOIL IN THE UNITED STATES. THIS THEORY IS PLAUSIBLE AS THE RED CHINESE ARE UTTERLY IRRESPONSIBLE AND HATE US SUFFICIENTLY TO FORGE SUCH A DIABOLICAL PLOT. THE THEORY BECOMES EVEN MORE ATTRACTIVE, HOWEVER, IF THE ULTIMATE GOAL HAD BEEN TO SCUTTLE THE PARIS PEACE CONFERENCE, A FAR MORE REWARDING ACHIEVEMENT TO THE RED CHINESE THAN TURMOIL ALONE. THE REASON IS THAT THE RED CHINESE ARE DESPERATELY DETERMINED TO MAKE CERTAIN THE NORTH VIETNAMESE CONTINUE THE WAR UNTIL THE UNITED STATES MAKES AN UNCONDITIONAL WITHDRAWAL FROM SOUTH VIETNAM. IF THAT SHOULD HAPPEN, RED CHINA WOULD HAVE ACHIEVED HER GOAL OF A FREE HAND IN S.E. ASIA. BUT NOW NORTH VIETNAM HAS FALTERED. AND IS READY TO TALK PEACE WITH THE UNITED STATES, IN SPITE OF THREATS BY THE RED CHINESE TO WITHDRAW WAR AID TO THEM. AFTER THIS FAILURE TO KEEP THE NORTH VIETNAMESE IN LINE, THE PROBLEM THEN EMERGED FOR THE RED CHINESE OF HOW BEST TO UNDERMINE THE PEACE CONFERENCE ITSELF. THE PLAN SELECTED MIGHT WELL HAVE BEEN TO HAVE THE REV. KING MURDERED IN SUCH WAY AS TO THROW SUSPICION ON THE RED CHINESE THEMSELVES. IN THAT CASE, PUBLIC INDIGNATION HERE WOULD RISE NOT ONLY AGAINST THE RED CHINESE BUT COMMUNISTS EVERYWHERE, INCLUDING THE COMMUNIST LEADERS OF NORTH VIETNAM, WHO ALL PARTICIPATE IN A DRIVE TO DESTROY THE FREE WORLD. THE RESULT COULD BE ANTICIPATED BY THE RED CHINESE THAT THE JOHNSON ADMINISTRATION WOULD HAVE TO TAKE A HARD LINE AGAINST THE NORTH VIETNAMESE AT PARIS OR RISK AN UPRISING AGAINST THE DEMOCRAT PARTY IN NOVEMBER. A HARD LINE, HOWEVER, MIGHT WELL DOOM THE CONFERENCE WHICH IS JUST WHAT THE RED CHINESE WANT.

Dear Mr. Wilshire:

I have received your letter of May 13th, with enclosures.

At the request of the Attorney General, the FBI has instituted an investigation into the circumstances surrounding the slaying of Martin Luther King. I can assure you this inquiry is being conducted in a most thorough and expeditious manner. While I would very much like to be of further assistance to you, information in our files must be maintained as confidential pursuant to regulations of the Department of Justice. I can tell you, however, that no representative of the FBI made any statement speculating that Martin Luther King was murdered by the Red Chinese as indicated in one of your enclosures.

To stimulate public cooperation and possibly elicit pertinent information from individuals motivated by financial rewards, it is being suggested that information on the substantial financial rewards offered in the Murkin case be emphasized through nationwide publicity. The rewards are for information leading to the arrest and conviction of Dr. King's killer.

Contact today with the Memphis Office reflects there is a current known total of \$100,000 in outstanding rewards. The "Commercial Appeal" and Scripps-Howard newspapers have each offered \$25,000, businessmen and citizens in Memphis have offered several thousands more and the Memphis City Council has underwritten the reward up to a total of \$100,000. This compilation was set forth in the April 27th edition of the "Commercial Appeal." Although there have been rumors of additional rewards by such organizations as the SCLC, these are apparently without foundation.

A proposed letter to all SACs is attached, instructing each office to discreetly remind their news contacts of the existence of the substantial rewards as an additional step in eliciting public cooperation.

## RECOMMENDATION:

The attached letter to SAC, Albany, with copies to all other offices and Legats, be approved.

Enclosed for the Bureau, Kansas City and other offices is one rough map drawn by City Editor WILLIAM THOMAS of the "Los Angeles Times" based on information furnished to him by their informant, known as [REDACTED] (LNU), which supposedly depicts the location of the house in Kansas City where JAMES EARL RAY allegedly stayed overnight. This appeared as Item 5, Page 1, of Mr. THOMAS's notes, as set forth in referenced Los Angeles teletype. The reference is as follows:

"5. In Kansas City, RAY stayed overnight at a home. It is a small, gray, shingled, one-bedroom house about three miles from central Kansas City. (We have rough location.)" **REC-7 44-38861-3939**

Its color was greenish and fading. [REDACTED] advised during the ride the driver who did not reveal his identity, informed [REDACTED] he had been released from jail that day. This individual did not name the jail but [REDACTED] felt it was located in Miami, Florida. [REDACTED] stated that the man did not reveal why or for what period he was incarcerated. ██████████ stated he did not care to remain in the company of this individual and left the car at the first traffic light in Key West. He advised he had no definite reason to believe the driver was JAMES EARL RAY and he noted it was ██████████ idea to contact the FBI.

██████████ advised he has seen photographs of RAY or ERIC GALT as he has read about him and he did not believe there was anything about the man who gave him a ride that would make him think it was RAY.

██████████ described the driver as being in his 30s, 5'10", 185 pounds, with medium to heavy build. He had brown, slightly grey hair and his complexion was light to medium. No particular accent was noted and ██████████ stated the man "looked broke and bummy". He wore a white T shirt, dark brown pants and had no luggage.

In view of the foregoing, no further investigation is being conducted.

With further reference to the tracing of Sears Roebuck All-State Battery located in 1966 Mustang recovered at Atlanta, Ga., on 4/5/68, and with particular reference to telephonic conversation between Supervisor [REDACTED] Atlanta Office, and [REDACTED] of the Louisville Office, the following additional facts are being furnished:

On 5/22/68, Mr. JOHN DARNELL, Globe Union Company, Louisville, Ky., manufacturers of All-State Automobile Batteries of the type recovered in instant 1966 Mustang, stated that this battery is a Model 52 which carries a stock number of 22-F. Mr. DARNELL informed that in a 1966 Mustang the battery normally installed would be a Model 25, 35 or 36 or stock 24-F. He stated that this battery

could be purchased in any of the Sears Roebuck retail automobile store outlets located in Eastern Missouri, Southern Illinois, all of the State of Indiana, all of the State of Ohio, all of the State of West Virginia, or all of the State of Kentucky. He stated that as of the present time, there are 133 retail Sears Roebuck automobile stores which stock and sell this battery.

With reference to the possibility of obtaining this battery through mail order, Mr. DARNELL stated that this could be possible but only upon referral of the mail order to the Louisville plant of Globe by Sears Roebuck in Chicago, Illinois, for delivery direct from the Louisville plant. It is to be noted that the central distributing point and warehouse of Sears Roebuck in Chicago would not stock a 22-F battery manufactured at the Louisville plant inasmuch as Chicago is served by the Milwaukee plant of Globe Union.

With reference to the possibility of purchase of the battery by mail order, Mr. DARNELL checked all mail orders filled by the Louisville plant upon such referral by Sears Roebuck in Chicago and stated that no mail order received was for a Model 22-F battery, thus eliminating the possibility of purchase of instant battery through mail order.

Pursuant to conversation held with Supervisor [REDACTED] of the Atlanta Office, Mr. DARNELL was requested to furnish and did furnish copies of the Sears Roebuck retail automobile store outlets in the area surrounding Memphis, consisting of stores in the Greater St. Louis, Missouri, area and Southeastern Missouri, as well as Southern Illinois as far North as Alton, Illinois, as well as stores in Western Kentucky. Next to the name and address of the Sears Roebuck stores so listed in parenthesis are listed the total number of the type 22-F battery furnished these various stores during the pertinent period from 2/22/68, to April 5, 1968. It is to be noted that while instant battery carries a date code of 3/68, Mr. DARNELL explained that the code date is effective on the 21st of each month indicating that this battery was distributed possibly as early as 2/22/68, as a March product.

For the information of offices not previously receiving correspondence regarding tracing of instant

LS 44-347

battery, this battery is described as an All-State high voltage, internal connector battery with the identifying Model 52 contained in white letters in a small circular plastic case on three sides of the battery. It also bears the marking "F-41 B E S, square 48" located on the top of the lead shield washer on the negative post. The date code "C-8" indicating the battery was manufactured in March, 1968, is contained in a small white decal on the side of the battery.

Enclosed for the Bureau and each receiving office is a copy of the list of Sears Roebuck retail stores carrying this battery and through which retail outlet same may have been purchased during the above period from 2/22 to 4/4/68.

No leads are being set forth herewith by the Louisville Office relative to further tracing of this battery but same is being left to the descretion of the OO as indicated in referenced teletype of the Louisville Office dated 4/26/68.

Reburad 5/22/68, directing check of all driver's license applications for April and May, 1968, concerning all white males between ages 30 and 55 years of age, to determine if obtained by subject. B

Inquiry, Division of Motor Vehicles (DMV), Richmond, Va., determined that driver's license applications are filed alphabetically and not by date.

[REDACTED] DMV, advised that every application or license on file, which totals in excess of two million, would have to be processed. A check of this type would require their equipment to be programmed in such a manner that the entire system would be tied up for an excessive period of time, specifically a minimum of three days, to accomplish a primary breakdown. Such a check would of necessity be made by DMV IBM employees.

According to [REDACTED] such a voluminous check is not feasible in light of the equipment being constantly used as well as the fact that current DMV business is being received daily and requires immediate storage in the system.

In view of DMV's system of maintaining such records and due to the limited facilities and personnel and cost to the State involved, this review is not possible.

SUBJECT: MURKIN

For information of the Bureau and the Memphis Division, the following is set forth:

On 5/23/68, the Birmingham Division personally contacted all television stations in Birmingham, as well as local daily newspapers, these being "The Birmingham Post-Herald" and "The Birmingham News." The purpose of these contacts was to solicit their continuous cooperation in affording the MURKIN investigation all possible news coverage in an effort to develop any information concerning the possible whereabouts of JAMES EARL RAY. B

A photograph of RAY, which was made in California last January (1968), which witnesses say resembles him more nearly than any other they have seen, was furnished to the television stations and newspapers for their assistance in affording this matter appropriate news coverage.

The aforementioned television stations and newspapers were most receptive and pledged their continuous cooperation in assisting the Bureau in bringing about RAY's apprehension. As a result of these contacts, the photograph of RAY, as well as a story concerning the KING assassination received front-page publicity in all editions of the Birmingham newspapers. This

his release in [REDACTED], he became very friendly with an inmate identified as [REDACTED] was originally from western Kansas and was alleged to have bootlegged in Mississippi. According to [REDACTED] he and [REDACTED] worked together [REDACTED] at Leavenworth.

[REDACTED] said he had previously met [REDACTED] before going to the penitentiary in Jackson, Mississippi, and he recognized [REDACTED] again at Leavenworth.

Just before [REDACTED] was scheduled to be parolled from Leavenworth, [REDACTED] approached him and stated that he knew [REDACTED] was going to Atlanta and that he wanted [REDACTED] to set things up for him.

[REDACTED] told [REDACTED] that \$100,000.00 had been offered by the WKKKKOM to be paid to anyone who would kill MARTIN LUTHER KING.

[REDACTED] allegedly instructed [REDACTED] to contact a [REDACTED] at the [REDACTED] Jackson, Miss. [REDACTED] claimed [REDACTED] is listed as a correspondent by him at Leavenworth Penitentiary. According to [REDACTED] instructions, [REDACTED] was to contact [REDACTED] and ask her when she next writes to [REDACTED] at the Penitentiary to tell him [REDACTED] had arrived. [REDACTED] indicated he would write and tell [REDACTED] that [REDACTED] was "O.K."

If [REDACTED] wanted to try to "pull this" himself, [REDACTED] would put him in contact with two people identified only as [REDACTED] Jackson, Miss., and a second person whom [REDACTED] could not now recall. [REDACTED] stated that the unidentified person, according to [REDACTED] had recently been [REDACTED] at Jackson.

A review of Leavenworth Penitentiary Parole Progress Report for [REDACTED] dated [REDACTED] disclosed [REDACTED] began his sentence at Leavenworth on [REDACTED]. The offense is listed as [REDACTED]. Under the Sentence Captioned there is an entry [REDACTED]. The codefendants were listed as [REDACTED] and [REDACTED].

The Classification Study Sheet discloses the following description of [REDACTED]

True Name	[REDACTED]
Aliases	None
Race	White
Date of Birth	[REDACTED]
Age	[REDACTED]
Height	[REDACTED]
Weight	[REDACTED]
FBI Number	[REDACTED]
Social Security Number	Unknown
Marital Status	[REDACTED]
Education	[REDACTED]
Age at first arrest	[REDACTED]

The Arrest Record Sheet in the Classification Study shows [REDACTED] was arrested [REDACTED] Dodge City, Kansas, for [REDACTED]. He has numerous arrest since that time in Kansas, Omaha, Nebraska, Colorado Springs, Colorado, Oklahoma City, Oklahoma, and Springfield, Missouri.

[REDACTED] is a native of Kansas and has resided in that state most of his life. He has been somewhat nomadic in the past several years, drifting throughout both Kansas and Oklahoma. His last residence was with his parents in Dodge City, Kansas.

Under the New Social Information, section it is indicated that [REDACTED] writes very often to his mother who lives in Dodge City, Kansas. He has a grown son and daughter living in Dodge City and they occasionally bring his mother to the institution to visit him. He is divorced and his former wife never writes. [REDACTED] has been writing often to a woman friend [REDACTED] who lives in Jackson, Mississippi. [REDACTED] has received seven visits from [REDACTED] and four visits from his mother and son.

The Penitentiary file indicates [REDACTED] plans to work with [REDACTED] in Jackson, Mississippi, upon his release from Leavenworth.

The file further indicates [REDACTED] shows much interest in assisting [REDACTED] and there seems some possibility that they may marry in the future.

Upon receiving the information from [REDACTED] concerning the alleged offer of \$100,000.00, [REDACTED] was interviewed at Jackson, Mississippi, on 8/8/67.

At that time [REDACTED] advised that she is well acquainted with [REDACTED] and frequently corresponds with him at the Leavenworth Penitentiary. She explained that early in 1964 after becoming acquainted with [REDACTED] she rented a room to him at her residence where [REDACTED] stayed for a few weeks. As far as she knows this is the only time [REDACTED] has spent in Mississippi. She does not believe that [REDACTED] is involved or ever has been involved in any Klan activity or associated with anyone whom she new to be involved in Klan activity and that she has never been involved in any Klan activities herself.

She stated that she does not know any of [REDACTED] associates, does not know anyone by the name of [REDACTED] nor has [REDACTED] ever mentioned [REDACTED] name. She does not know of any alleged offer of \$100,000.00 by the WKKKKOM to kill MARTIN LUTHER KING, JR. She has never heard of anything similar to this mentioned and claims not to be involved in any such plot.

She does not know anyone by the name of [REDACTED] or anyone recently [REDACTED] at Jackson. She stated that her brother's name is [REDACTED] but he is [REDACTED] not a member of any Klan group, and he does not know [REDACTED]

The only person she knows in [REDACTED] at Jackson is [REDACTED] who is a distant cousin of her former husband, [REDACTED]. She also knows [REDACTED] who is associated with [REDACTED]. She considers both [REDACTED] and [REDACTED] to be respectable people and she thought most assuredly that they would have no association with any Klan group.

On 5/13/68, [REDACTED] Jackson, Miss., was reinterviewed.

At the outset she inquired as to the nature of the interview.

It was explained to [REDACTED] that since the murder of MARTIN LUTHER KING, JR., her past association with [REDACTED] may be of a more significant nature.

The alleged offer of \$100,000.00 by the WKKKKOM was explained to her again.

[REDACTED] who appears to be a reasonably successful business woman, neat in appearance, and well spoken, said she now recalls how this alleged offer all started.

She said she recalls that in 1964 when she first met [REDACTED] he was out on some kind of a bond waiting for an appeal. At the same time the murder of the three civil rights workers in Neshoba County, Mississippi, was at the height of publicity. Sheriff RAINEY of Neshoba County was presumed to be, at the time, an official in the Klan in Neshoba County. At least the newspapers, radio and television news stories indicated this much. During the same period her [REDACTED] was in minor financial difficulty and she recalls casually mentioning that if she approached the Sheriff of Neshoba County she could probably get \$100,000.00 to kill KING. She said she now feels in all probability that [REDACTED] took her casual statement seriously. She said she now realizes the seriousness of such a statement since KING's murder.

[REDACTED] stated that she is an outspoken business woman and often passes remarks of this nature more to attract some prospective customers than anything else. She said she believes that this is the basis for [REDACTED] information concerning the offer of money by the Klan in Mississippi to kill MARTIN LUTHER KING, JR.

In attempting to determine the circumstances concerning her meeting [REDACTED] in 1964, [REDACTED] said she met him through a mutual business friend. Her association with [REDACTED] was business. She said in her opinion [REDACTED] had a world of knowledge

in [REDACTED] and that if he ever gets out of prison she will always be willing to hire him as an assistant [REDACTED].

After his appeal was denied in 1964, [REDACTED] was returned to Kansas and began serving his sentence. She said she went out to the Penitentiary on two occasions in 1964, the first time to pick up [REDACTED] automobile which she financed for him. All other visits, two or three times in 1965 and once in 1966, were just friendly visits. She said the last time she visited him was early in 1966 and that she has not seen him or heard from him since that time. She said as far as she knows he is still in prison.

[REDACTED] was very apologetic, very cooperative, and stated that she has no information whatsoever concerning the person or persons responsible for the assassination of MARTIN LUTHER KING, JR. If, in the event she receives any information which may be of help in this matter she will immediately contact the FBI.

[REDACTED] is a white female, approximately 5 feet 9 inches, slender, moderately attractive, approximately 50 years of age.

A further review of the Leavenworth Penitentiary Classification Sheet for MC [REDACTED] discloses that his [REDACTED] sentence was in an operative status for 375 days due to an appeal. The Classification Study form of [REDACTED] indicates that [REDACTED] was received at Leavenworth Penitentiary in [REDACTED] after his appeal had been denied.

The Bureau, through FBI Identification Division records, may wish to compare the records of [REDACTED] (as indicated in prison records) with the known arrest record of JAMES EARL RAY to determine if they were ever confined in the same prison at the same time with subject RAY.

Re Bureau airtel, 5/8/68, regarding possible sources of composite name, ERIC STAVO GALT.

It was determined at Norfolk that "JOHN GALT", the hero of Atlas Shrugged was a physicist and inventor of genius. The theme of AYN RAND's books is generally determined to be "objectivism." In Atlas Shrugged, GALT is the leader of the strike. He convinces the other creators, the originators in every line of rational endeavor to leave their businesses, their laboratories, their concert balls, their classrooms and silently to withdraw - to refuse to work or offer any intellectual benefits to a world that regards them as serfs. One by one, the men of ability, vanish. What follows is the breakdown and disintegration of society, a society deprived of its mind.

NATHANIEL BRANDEN of the Nathaniel Branden Institute, Inc., New York City, New York is a disciple of AYN RAND and a teacher of her philosophy of "objectivism", at his Institute.

Above submitted for information of Bureau. It is believed that the Branden Institute has branches throughout the United States, or at least organizations which follow its teachings.

# Memorandum

TO : Director, FBI (44-38861)

DATE: 5/23/68

FROM : SAC, Honolulu (157-131)(P)

SUBJECT: MURKIN

ReBuRed 5/21/68 concerning checks at Driver's License Bureaus.

On 5/21/68 [REDACTED], Driver's License Bureau, Honolulu Police Department, advised that the State of Hawaii is presently going through a relicensing procedure that will last all year. The Driver's License Bureau in Honolulu covers only City-County of Honolulu. On the outer islands driver's licensing is handled by police departments.

In the City and County of Honolulu alone since 1/1/68 more than 92,000 people have applied for new driver's licenses. At the Driver's License Bureau these applications are maintained only in alphabetical order, not by date. Therefore, to ascertain persons applying for a license in April and May it would be necessary to manually check all of the 92,000 cards. [REDACTED] stated, however, the city is in the process of computerizing the driver's license information and this project is being handled by the State of Hawaii Information Systems at City Bank, 810 Richards Street.

On 5/23/68 [REDACTED] City Information Service, advised as follows:

The Honolulu computer program for driver's licenses covers the entire state, and the system as of this date has all driver's licenses issued up until 5/17/68. [REDACTED] stated that it is possible to build a theoretical man and obtain possible hits from the computer. The computer is unable to supply information as to whether the application is for a new license or a relicensing; however, he stated that the computer contains Social Security numbers and old license numbers, and if any of these numbers that have been utilized by RAY are available they could be checked through the computer.

Enclosed for information of Memphis is Xerox copy of the information available in the Honolulu computer.

Honolulu intends to request a check of the driver's license computer, supplying the following information:

Born:	May 23, 1938 - May 23, 1913
State:	Other than Hawaii
Height:	5' 9" to 5' 11"
Weight:	156 - 185 lbs.
Hair:	Brown
Eyes:	Blue

Discard all old license numbers with prefix "P" or "O" (license numbers issued in Hawaii for several years previous to 1968 bore prefixes "P" and "O".)

If OO could logically narrow the above criteria it is requested to do so. Memphis is also requested to furnish Honolulu any known old driver's license numbers or Social Security Numbers utilized by subject.

The Bureau may desire to give consideration to having all field divisions inquire if driver's licenses are computerized in order that a theoretical-man search might be made.

Reference Bureau airtel to Memphis 4/10/68 setting forth the interpretation of scratches on small radio (Q32) as being "00416." For possible interest of Memphis, it is noted that "00416" was the inmate number of James Earl Ray at the Missouri State Penitentiary.

RE [REDACTED] USE OF TELEPHONE AT PORTAGEVILLE, MO.  
THREE OF THE FOUR TELEPHONE CALLS PLACED TO MEMPHIS FROM  
THE TELEPHONE USED BY [REDACTED] AT THE SINCLAIR STATION  
IN PORTAGEVILLE WERE MADE TO THREE REPUTABLE BUSINESS CONCERNS.  
THE FOURTH TELEPHONE CALL WAS PLACED TO THE RESIDENCE OF  
ELAINE M. BREWINGTON, WHO HAS RECEIVED TELEPHONE CALLS FROM A  
BOYFRIEND FROM PORTAGEVILLE, MO., ON MARCH SEVEN AND APRIL FOUR  
LAST.

INVESTIGATION CONDUCTED IN THE MEMPHIS AREA FAILED TO  
REVEAL ANY INFORMATION TO INDICATE THAT A SWINGER OR A LONELY  
HEARTS TYPE CLUB IS OPERATING IN THE MEMPHIS AREA.  
A CHECK OF RECORDS OF "CHECK MATE CLUB", A SOCIAL CLUB  
WHICH APPEALS TO SINGLE PERSONS, AND RECORDS OF "COMPUTER  
MATCHING INC." WHICH CHARGES TWO HUNDRED FIFTY DOLLARS FEE  
FOR MATCHING COMPATIBLE MATES THROUGH COMPUTER TESTING FAILED  
TO REVEAL ANY INFORMATION REGARDING RAY UNDER HIS TRUE NAME  
AND KNOWN ALIASES.  
SINCE IT HAS BEEN DETERMINED THAT SUBJECT WAS IN MEXICO  
DURING OCT. AND NOV. SIXTY SEVEN AND DURING SUCH PERIOD

END PAGE TWO

CONSORTED WITH ONE OR MORE KNOWN MEXICAN PROSTITUTES, IT IS SUGGESTED THE BUREAU MAY DESIRE TO REQUEST ALL DIVISIONS TO CHECK VENEREAL DISEASE RECORDS OF STATE HEALTH DEPARTMENTS RE SUBJECT UNDER HIS TRUE NAME AND KNOWN ALIASES FOR THE PERIOD NOV. THIRTEEN, SIXTY SEVEN, TO DATE.

IT IS SUGGESTED THAT THE BUREAU REQUEST LEGAT, MEXICO, TO FURNISH IN DETAIL THE INTERVIEW OF [REDACTED], IRMA MORALES, WITH WHOM SUBJECT SPENT CONSIDERABLE TIME AT PUERTO VALLARTA. IT IS NOTED SUBJECT ABANDONED MORALES SEVERAL DAYS PRIOR TO LEAVING MEXICO. [REDACTED]

[REDACTED] IT SHOULD BE DETERMINED WHETHER MORALES HAS [REDACTED] OBTAINED NARCOTICS, ANY INDICATION SUBJECT GAVE OF DESIRING TO RETURN TO MEXICO FOR PERMANENT RESIDENCE AND FOR ANY INDICATION SUBJECT HAD PREVIOUSLY VISITED ANY PORTION OF MEXICO. MEMPHIS FEELS THAT AN INTERVIEW IN DEPTH OF MORALES MIGHT SHED ADDITIONAL LIGHT ON SUBJECT'S INCLINATION TO TAKING UP RESIDENCE IN A FOREIGN COUNTRY.

FOUR

IN REGARD TO CHECK OF DRIVER LICENSE RECORDS FOR NEW AND RENEWED LICENSES, IT IS SUGGESTED THE BUREAU MAY DESIRE THROUGH LIAISON WITH THE U.S. DEPARTMENT OF TRANSPORTATION TO CHECK RECORDS OF THE NATIONAL DRIVERS REGISTRY FOR NEW DRIVER LICENSES OR RENEWALS FOR SUBJECT UNDER HIS TRUE NAME AND KNOWN ALIASES ON A NATION WIDE BASIS AND PLACE APPROPRIATE STOPS IN THESE RECORDS IF SUCH IS FEASIBLE.

MEMPHIS IS CONTINUING TO CHECK OUT LOOK ALIKES ON IMMEDIATE BASIS UPON RECEIPT OF SUCH INFORMATION; HOWEVER, NO PERTINENT INFORMATION HAS BEEN DEVELOPED IN THIS REGARD.

JAMES EARL RAY;  
DR. MARTIN LUTHER KING, JR. - VICTIM  
CIVIL RIGHTS - CONSPIRACY;  
UNLAWFUL FLIGHT TO AVOID CONFINEMENT -  
ROBBERY

The attached letter was received May 17, 1968, by  
the Memphis Police Department, Memphis, Tennessee, from an  
unknown person who signed the letter only "Code Letter G":

Montreal Que  
To The Chief of Police  
Memphis Tenn. USA.

Received  
5-17-68  
by M.P.D.

Subject: Dr. King - "Hate or Ray?"

I am writing you a personal letter, in strict confidence, I trust you will play ball with the writer. What I am disclosing in detail, may in time prove right or wrong, but to me it divulges some interesting facts. On Wednesday April 17-68 at 6 PM at a friends house, (where he took a room at \$10. per week) I met an 'Irish Chap'. Over a case of Beer we got talking.

1st he said he was selling Advertising in Montreal, had office in East End of Sherbrooke St. (A lady claimed a man rented her apartment & suddenly left. (R.C.M.P. have this information for follow up. as it came out in papers. I did not get any firm name for at that time I suspected nothing.

On April 26 68 'Life Magazine' printed in detail a report as released to Press by F.B.I. It had several drawings. I read all with interest, but May 8. 68 Montreal Gazette comes out with a snap picture as released by F.B.I. "See Attached"

Now here's what made me curious. This chap said in conversation, He had once been in jail in Missouri, where I did not ask on for what.

Said he had been in Merchants' Manne  
where I did not ask.

Said while he was away on a trip on return  
a mother of a girl he had been courting met him  
at the hotel & told him he had made her  
daughter pregnant & had to marry her. He was forced to  
said he was still married & had children by her  
3rd Said he had been a bartender at times  
where he took the room in Montreal, the young lady  
who rented the room, immediately fell in love with  
him & he with her.

This lady is of Irish Nationality in name  
Said he was (40) years old. Nice appearance  
Conservative in dress, speaks well, about 5' 8" 165, 170  
Brown hair. Nice personality.

Started flinging his money around freely to girl of  
house, \$1,000 a week & \$400 a week.  
Suddenly goes off to Acropolis Clinic for 10 days  
in S.E. Quebec, 80 miles from Montreal on B.C. Ry.  
where this girl visited him & he is back now  
in same place. Other day wanted her to sell  
all her furniture for \$1500. Return with him  
to California, where he may yet go from  
Montreal. I am getting a line & his stay at  
Clinic.

Now I give you this information, to disclose my name  
you will appreciate the fact, would be to have

and the publisher, with A.B.H.P. City, Provincial  
Police after me, for I work - This all would  
upset the works I would be a sitting duck.

Now if this should be to your interests - you play  
ball with me, in strict confidence, I will with you.  
You can write The Editor Gayle "News in Brief"  
Attention "G" I will watch for your reply.  
Will answer you, from there on you can  
use your own follow ups.  
I am off work on Wednesday & Thursday each  
week these my holidays June 1-15. 68.  
I might meet you later at some suggested Court  
if you consider to to your interests.

RE: APPROX.

ASAC Karl Stefansson of the San Antonio Office telephonically advised that one [REDACTED] had contacted the Brownsville, Texas, Resident Agency today and advised that he had received information that James Ray was four days ago working in the kitchen of the Sadzil Ha Hotel, located on Isla Mujeres, off the coast of the State of Quintana Roo, Mexico.

[REDACTED] is in Brownsville, Texas, [REDACTED] and will be there several days. His permanent address is [REDACTED] Yucatan, Mexico, and he will return to that address when his business in Brownsville, Texas, is completed.

[REDACTED] advised that the Sadzil Ha Hotel which is located about twenty minutes by air from Merida is owned and operated by a man named Lima, who he feels will not cooperate with the FBI. He identified Lima's son as being the source of the information regarding Ray working at the Sadzil Ha Hotel.

Stefansson described [REDACTED] as [REDACTED]

SAC Gordon Shanklin of the Dallas Office also telephonically advised that a potential criminal informant of the office had been in contact with a small time gambler, whose identity the potential criminal informant would not disclose, who had just returned from Monterrey, Mexico. According to the potential criminal informant this gambler made the statement that James Ray is currently working as a bartender in a bar located near the Chevrolet dealer in Monterrey.

## ACTION:

The above information was telephonically furnished to Legat [REDACTED] at Mexico City for immediate handling. [REDACTED] stated the leads would be afforded top priority investigative attention.

## FEDERAL BUREAU OF INVESTIGATION

Date 4/26/68

[REDACTED] inmate, Medical Center for Federal Prisoners, Springfield, Missouri, was advised of the identity of [REDACTED] as a Special Agent of the Federal Bureau of Investigation. He was told the purpose of the interview concerned a report he had made sometime ago to the FBI that he had been offered \$50,000. to kill MARTIN LUTHER KING by two individuals identified only as [REDACTED] and [REDACTED]. This took place in Columbia, South Carolina, in about March, 1965. He was furnished a warning and waiver form, which he read and executed. He then furnished the following oral information:

In early 1965, in Columbia, South Carolina, he met a soldier stationed at Fort Jackson, South Carolina, who was to be discharged within a few days. His name was [REDACTED] or [REDACTED] but he is not sure of the first name or the spelling of the last name. He had just returned from Panama, and he believes he held the rank of Corporal. [REDACTED] had marijuana and pep pills in his possession and was a very convincing talker. [REDACTED] had met a female in Columbia named [REDACTED]. She worked as a [REDACTED] at [REDACTED] he believes was called the [REDACTED] located [REDACTED] in Columbia. She was from a little town twenty miles south of Columbia, name unknown. [REDACTED] roomed with a girl named [REDACTED] somewhere [REDACTED] in Columbia. Both girls were prostitutes, and [REDACTED] lived part of the time with [REDACTED]. [REDACTED] worked at a [REDACTED] there called the [REDACTED].

[REDACTED] had met two men known as [REDACTED] and [REDACTED] and had filled a prostitution date with [REDACTED] for \$50. The initial meeting took place in some club, name unknown, located near Chubby's Steak House, possibly the "Downtown." [REDACTED] told [REDACTED] she had to leave because she had a date with a soldier from Fort Jackson, South Carolina, named [REDACTED]. [REDACTED] asked her to ask [REDACTED] if he could get ahold of any weapons, whereupon she told him [REDACTED] had a machine gun.

On 4/26/68 at Springfield, Missouri File # KC 44-760  
by SA [REDACTED] Date dictated 4/26/68

█████ expressed an interest in buying it from █████ and told her to pass this on to him, which she agreed to do. The prostitution date was filled in a motel in town, name unknown.

The following night, at the V.F.W., he, █████, █████ and █████ met. █████ and █████ were present, as well as two other girls who worked at the █████ but this was their night off. He does not recall their names. This was the first time he had met █████ and █████. The men went outside and █████ gave them each a stick of marijuana which he had brought back from Panama. They all sat in █████ white 1964-65 Lincoln Continental and smoked marijuana. The Lincoln had a Tennessee license plate beginning with the number █████ which designates Memphis. █████ was always smoking big cigars and wore a large diamond ring. He understood █████ has money in Mississippi and Tennessee.

█████ despises the Negro race and, particularly, any with Communist leanings.

While in the car, █████ told █████ he understood he had a .50-caliber machine gun and █████ said he did. █████ asked if he wanted to sell it and he said, "Yes." Either █████ or █████ asked where the machine gun was and how long it would take to get it. █████ said three days because it was in Westwego, Louisiana, in care of a friend █████. He never heard this man's name. █████ or █████ asked █████ if he had any ammunition for it, and he said he had a whole belt. One of the men then offered him a thousand dollars for the machine gun.

They all met again the next night at the largest drive-in restaurant in Columbia, name unrecalled. █████ or █████ asked him if he had ever used the machine gun before, and he said he used one while in military service. It was agreed that █████ would take █████ to Westwego, Louisiana, which is on the west bank of New Orleans, to get the machine gun. They were to meet █████ and █████ on a certain unrecalled date in Columbia and collect \$1,000. for the machine gun. The meet was to be at some unrecalled motel. █████ stated he has trouble remembering things that happened this long ago.

He drove [REDACTED] to get the machine gun at the [REDACTED] [REDACTED], and [REDACTED] contacted some man outside of his presence who reportedly told him the weapon had not arrived. He and [REDACTED] stayed in an apartment house at the rear of the [REDACTED] for two days waiting for the weapon to arrive, but it never did. He became irritated with [REDACTED] and then felt [REDACTED] never had such a weapon. [REDACTED] returned alone to Columbia, South Carolina, and he understood [REDACTED] was going to his home in Fort Myers, Florida. [REDACTED] parents reportedly lived in [REDACTED] Fort Myers. [REDACTED] stated that at the time all this was going on he had and was driving a 1959 Chevrolet convertible, maroon in color, bearing a Maryland Temporary Tag. He bought the car under his true name [REDACTED] in Baltimore, Maryland.

Upon his return to Columbia he met with [REDACTED] and [REDACTED] and informed them he did not get the weapon. He was told the plan was for him and [REDACTED] to kill MARTIN LUTHER KING for \$50,000. \$5,000. was to be in advance, with the remaining \$45,000. to be paid to them in Greenville, South Carolina. [REDACTED] said KING had to be "wiped out" because J. EDGAR HOOVER had reported KING to be a confirmed Communist and the most notorious liar of our day. The killing was to take place along a scheduled march from Selma, Alabama, to Montgomery, Alabama. The machine gun was to be placed in the back of a paneled truck and driven to a spot on the Selma-to-Montgomery route. When the front line of marchers, including Dr. KING, approached the spot, the rear doors of the truck would be opened and the marchers machine-gunned. The truck was to come from some other state and purchased legally in the name of a deceased person. They would then drive the paneled truck away from the line of march to a country road where a passenger car would be parked. The truck would be abandoned and then they would travel into Montgomery, Alabama, by a devious back-roads route. They would then travel to Greenville, South Carolina, where they would meet [REDACTED] and [REDACTED] [REDACTED] would tell them how to get to Sydney, Australia, via Mexico, on a freighter.

[REDACTED] has a friend who formerly lived in Mississippi but now has a sheep ranch in Broken Bow, Australia. This man would help set them up in a bar or some other type of legitimate business.

Re Los Angeles airtel to Director, 5-14-68, transmitting a copy of a letter from [REDACTED] in which she suggested as "professional Leftists who use the Negro cause"... "the BRADENS, the Southern Patriot, 3210 W. Broadway, Louisville, Ky." and "Southern Conference Educational Fund, Inc. (SCEF), 822 Perdido St., New Orleans, Louisiana."

Referenced airtel suggested that interview of CARL and ANNE BRADEN for any information they might have concerning the assassination of MARTIN LUTHER KING be considered.

CARL and ANNE BRADEN, [REDACTED] Louisville, Ky. and currently head the Louisville based Southern Conference Educational Fund, Inc. (SCEF), formerly of New Orleans, La., which organization publishes the "Southern Patriot", as its official organ.

SCEF is successor to the HCUA-cited Southern Conference for Human Welfare (SCHW) and has long been active in the integration and civil rights fields. Currently, SCEF is active in the so-called "peace movement."

The BRADENS have twice been indicted under Kentucky Sedition Statutes (1954 and 1967). In 1954, CARL BRADEN was convicted and served 8 months of a 15-year sentence before being released on \$40,000 appeal bond. [REDACTED]

On both occasions the Kentucky Sedition Statutes under which the BRADENS were prosecuted were held to be unconstitutional.

CARL BRADEN also served approximately 9 months on a year and a day sentence for contempt of Congress. The contempt conviction grew out of his refusal to answer questions before a Congressional investigating committee in 1958.

The BRADENS have been interviewed on one occasion in connection with a civil rights matter in which they had an interest. [REDACTED]

Any interview with the BRADENS should have sound investigative basis, and it is felt that they should not be interviewed unless they can be questioned re specific, pertinent matters concerning which they might logically be expected to have information.

If an interview with them gave the impression that they were suspected of being implicated in the assassination of Dr. KING, or that the FBI was engaged in a fishing expedition, they would quickly seize upon the situation to ridicule and otherwise criticize the FBI for floundering in the investigation.

If there are specific, pertinent matters concerning which the BRADENS should be interviewed in connection with this case, Louisville will conduct such interview.

[REDACTED]  
it is felt that Bureau authorization should be obtained prior to conducting such interview.

ARMED AND DANGEROUS.

April 17, 1968

Rev. Hal Lloyd  
United Presbyterian Church  
Germantown, Pa.

Dear Rev.:

This may be the most important, as well as painful, letter you have ever received. It is based on your Easter Sunday service. It was the most deranged, damaging, most destructible and depraved sermon that a person could deliver. You were very successful in stirring up the people by appeals to emotion, prejudice and hatred in order to become a leader of evil and achieve selfish ends.

And now it is our task to UNLEARN you of your mental habits that are keeping you a psychological slave, unlearn the mental habit that makes you depend on other people to ration out little pieces of love, respect, enjoyment and success.

Beware of Human Parasites! There are two types of people in the world: the Giver, and the Taker. For every Giver, there are a dozen Takers. They are constantly trying to latch on to you--- to make you carry them on their back-- to force you to give meaning, and value, and direction to their lives-- The Negroes. The Takers have a hundred different disguises-- a hundred different "hidden strategies" to force you to become their constant servant. Your first task, therefore, if you want to achieve your own goals and not their, is to UNMASK them,-- to expose the hidden selfishness behind their so-called "noble motives"-- and to throw them off your back, and onto their own feet, for good.

The INJUSTICE -- CONFECTIONER: controls you by continually giving you guilt. Manufactures incidents in which you are trapped into hurting your own white people's feeling. You did it last Sunday when you accused the White Man of being the only guilty one. This is where we challenged you. It was the most damnable and outrageous words that ever was uttered by a white person-- drunk or sober. You were counteroffensive to your own race. You are equally as evil as Dr. Martin Luther King was. He was an imposter, if ever there was one, going about inciting trouble where-ever he could, he was the cause of rioting, burning, looting and killing. Is this the goal that you are seeking? Do you wish to have your family beaten and raped? You are asking for and inciting these evils, the very same things that Dr. King did to incite trouble - the people's prayers were answered when God directed the bullet that put a stop to his wicked ways. It could be called suicide or sui generis. Are you asking for the same kind of ending? If you are, good luck and good riddance.

Sincerely,

*Eric S. Galt*  
Eric S. Galt.

A. SUMMARY

On 4-20-68, [REDACTED]  
Quincy, Illinois, was interviewed and furnished the following  
information:

[REDACTED] has had numerous contacts  
with the family of LUCILE RYAN. He stated that this  
family is also known by the name RAY.  
[REDACTED]

[REDACTED] advised that he does not have any exact  
dates concerning anything in the family but that he knows  
the family is supposed to have moved to Quincy, Illinois,  
sometime during the 1940s and that the entire family lived  
at 214 String Street, Quincy, Illinois, during the 1940s  
until approximately 1955. He stated that this area at  
that time was an area infested with houses of prostitution  
and a very rough neighborhood and a very poor neighborhood.  
[REDACTED] stated that the entire family had been very close  
to each other and that he felt that members of the family  
would certainly harbor JAMES EARL RAY. He stated this  
would be particularly true of JERRY RYAN and JACK or JOHN  
RYAN. He felt that these two would harbor JAMES EARL RAY  
if they thought it would be to JAMES EARL RAY's advantage.

He furnished the following names for members of  
the family:

Father  
Mother  
Son  
Son  
Son

On 8/31/59 SUZAN RYAN was located with her mother, 1209 East Fourth Street, Alton, Illinois, where the mother lived under the name of BERNES. Daughter	CAROL RAY
Son	FRANKLIN D. RAY
Daughter	SUZAN RAY

She advised that she knew that the father of this group of children had used the name of JAMES RAY, GERALD RAY, JAMES RYAN and GERALD RYAN, as well as JERRY,

She advised that a Mrs. MAHER was the grandmother of the children, and in the past had induced them to run away from home and apparently had died in St. Louis while Mrs. MAHER was living with LUCILE RYAN.

She stated that she believed that CAROL would be very difficult to manage when it came to furnishing information concerning relatives.

She felt that the entire family is close enough to the criminal element that the family has developed an attitude of not cooperating with the law and she feels that it is possible that any member of the family might harbor JAMES EARL RAY; however, she stated that this is merely a personal belief and she had no information that the family had ever harbored anyone.

Also listed as a brother was JAMES RAY, Quincy, Illinois, no other address shown. It could not be determined if this JAMES E. RAY is identical with subject.

Other relatives noted in the file were MARY HABER, Tremont Hotel, Quincy, Illinois, who is the grandmother of JOHN LARRY RYAN. Other outgoing communications were to RALPH HOWARD, Indianapolis, Indiana, no other address shown, and a communication in 1960 was directed to JAMES E. RAY, addressed to Leavenworth Prison, Kansas. On May 3, 1968, RUBY CARPENTER, [REDACTED], Quincy, Illinois, was re-interviewed at her home and furnished the following information:

She has had no contact with anyone who has any information concerning the whereabouts or activities of JAMES EARL RAY since last being contacted by the FBI.

She advised that definitely JAMES EARL RAY had lived with RUBY CARPENTER and her former husband, JAMES GERALD RAYNES who was commonly known as JERRY RAYNES or JERRY RAYNS in St. Louis, Missouri, sometime around 1959 or 1960. Also, during this period of time, JAMES EARL RAY had resided with his mother, LUCILE RYAN and grandmother, Mrs. MAHER, in St. Louis. This was shortly before he was sent to prison to the Missouri State Penitentiary in either 1959 or 1960.

Sometime during the period of time while JAMES EARL RAY was in St. Louis, Missouri, around 1959 or 1960 he definitely made a trip to Mexico. She had no idea as to the location of the town in Mexico that he visited; however, she remembered hearing him speak of his trip into Mexico.

RUBY CARPENTER advised that she felt that her former husband, JERRY RAYNES, has had his phone disconnected inasmuch as she had tried several times during the past few days to call JERRY RAYNES at Center, Missouri. She stated that he has been "very jumpy" concerning JAMES EARL RAY and that she feels this is the reason that RAYNES had his phone disconnected. She stated that she is tempted to call RAYNES and was told that the phone was disconnected; however, she stated that a telephone strike was in existence and the possibility was that the calls did not go through.

Mrs. CARPENTER advised that she had no idea as to the present whereabouts of JAMES EARL RAY's brother JERRY RAY or JERRY RYAN who is supposed to have disappeared from the Chicago area. She advised that sometime around April 25, 1968, JERRY RAY had called her from Chicago, Illinois, and asked her to speak to a Life magazine reporter. At that time, JERRY RAY had indicated that he wished his brother would surrender to the FBI.

## FEDERAL BUREAU OF INVESTIGATION

Date May 23, 1968

RUBY SMITH CARPENTER was reinterviewed at her home, [REDACTED] Quincy, Illinois, after she telephonically contacted SA [REDACTED] and requested to be reinterviewed by him.

Mrs. CARPENTER furnished to SA [REDACTED] the following written statement which she stated she had written to give as exact account as possible of her knowledge of JAMES EARL RAY. The statement was on both sides of a white piece of paper and read as follows.

"[REDACTED] - Since you were here the last time I have thought of some things I would like to make clear, things I did not think of at first. First I know nothing of the whereabouts of James Earl Ray. I have seen him perhaps 6 times, the last in 1958 I believe. 2nd I know nothing about any unlawful acts of any of the Ray, Rayns, Ryan family. The only one of the family I have been closely associated with is the father, James Gerald Ray, who was my husband for about 3 years. We were divorced the 9th of December 1963. 3rd I have always lived an honest and lawabiding life. I have worked hard and supported myself entirely for 16 years and have helped others a great deal besides. Everything I have or ever had has been from honest and respectful work. No one has ever given me anything except my father, who left me some money at his death. 4th I would not accept anything obtained dishonestly if it were offered to me, which was not.

"I have seen many errors printed about the family. The headlines of the Herald Whig stating Ray's father has long local criminal record. An article in Chicago Daily News by Drew Pearson and Jack Anderson stating the children were adopted by various persons. None of the children were adopted unless perhaps Max, the youngest. They also stated James Earl Ray was the product of a broken home. How could he be when he was 24 years old when the father left the home, and had been living away from home several years prior.

On 4-20-68, WALTER TERRY RIFE was re-interviewed at the Virginia Hotel, 534 North Second Street, by SA [REDACTED] and ASAC DONALD T. SULLIVAN.

RIFE furnished the following information:

RIFE advised that he had had no contact with JAMES EARL RAY, FBI #306 443 A, since he last saw RAY in the Federal Penitentiary in Leavenworth, Kansas, in 1957.

RIFE advised that the best he could remember concerning RAY that RAY had had close associates or relatives at one time in the Alton, Illinois, area. He stated that he felt that RAY had at one time hung out around taverns owned by TERRY TWEET in the Alton area.

RIFE advised that he knew that RAY had at one time close contact with some fence in Peoria, Illinois, to whom RAY sold stolen items. By this he stated that he meant that RAY was a thief and would steal anything during the period of time he knew RAY from the late 1940s until 1955 and this included household items, groups of burglaries of business establishments and such like and that RAY would get rid of hot items through a fence in Peoria. RIFE advised that he had no idea as to the identity of this fence.

RIFE stated that he (RIFE) had lived in the Peoria, Illinois, area until 1967 when RIFE moved to the home of his brother LONNIE RIFE at Baylis, Illinois. RIFE then in 2-68 had taken over the operation of the restaurant at the Virginia Hotel and had been operating this restaurant since that time.

RIFE again reiterated that any of the individuals who lived or worked at the Virginia Hotel could verify the fact that he had been at the Virginia Hotel for the period 3-27-68 through 4-4-68. He stated also that since he and his wife operated the restaurant together and since his wife

SI 44-561

had had a baby in 2-68, it had been necessary for him to work long hours and to also be at home on a regular basis to take care of the RIFE's three other children.

He again stated that members of the Quincy Police Force could verify that RIFE had been in Quincy on a daily basis inasmuch as the police checked the Virginia Hotel every night.

RIFE advised that he would be available for interviews by the FBI at any time and that in the event that he was not working or at his home [REDACTED], Quincy, Illinois, SAMUEL EDNA HARPER, a Clerk at the Virginia Hotel, would know of his exact whereabouts, and RIFE could be reached in a short period of time.

RIFE advised that he could not remember anyone in the Quincy area who was close to the subject and could not think of anyone who might have any information concerning RAY.

RIFE advised that he did not feel that MELBA MARIE RYAN, the sister of the subject, has had any contact with RAY and he certainly is aware of the fact that MELBA MARIE RYAN has had serious mental problems and that any information that she would furnish could not be relied on.

The following investigation was conducted by SA'S [REDACTED] AND [REDACTED] on 4-19-68:

[REDACTED] Illinois State Police, Hull, Illinois, advised that he has since 3-18-68 seen LONNIE RIFE and WALTER RIFE almost on a daily basis. He advised that until recently, WALTER RIFE had lived at the home of LONNIE RIFE; however, WALTER RIFE is now working at the Virginia Hotel in Quincy, Illinois, operating the restaurant in that Hotel. [REDACTED] advised that he does not believe either RIFE has made any long trips from the Quincy, Illinois, area or has been gone from Quincy, Ill., for any extended period of time during the past month.

On 4-19-68, [REDACTED] and [REDACTED] Quincy, Ill., PD, advised that they are night detectives for that PD. Each advised that as a usual thing on their night routines they pass the Virginia Hotel, 534 North Second St., Quincy, Ill. They advised that they cannot state for certain on any exact date that WALTER RIFE was at the Virginia Hotel; however, they have seen him there practically every night operating the restaurant in the Virginia Hotel. Each advised that RIFE certainly could not have been gone for any extended period of time from Quincy without their knowing of this and that RIFE was certainly not gone for several days at any time.

On 4-19-68, MARY JAN RIFE, home address [REDACTED] Quincy, Illinois, was interviewed at her place of employment, the restaurant at the Virginia Hotel, 534 North Second Street, Quincy, Illinois. She advised that she is married to WALTER TERRY RIFE and that her husband has been in Quincy, Illinois, for every day since February, 1968. She stated that her husband certainly was not gone any day from 3-27-68 through 4-4-68. She advised that he was working each day at the restaurant in the Virginia Hotel operated by her husband. She viewed a photograph of JAMES EARL RAY,

SI 44-561

FBI # 306 443 A, made on 3-17-60. She advised that she had never seen this individual in her life and had never heard her husband speak concerning this individual. MARY JAN RIFE advised that she has been married to WALTER TERRY RIFE since 1961 and that during that period of time JAMES EARL RAY has never contacted him for any reason. She advised that MELBA MARIE RYAN resides at the Virginia Hotel and that shortly before being interviewed she had learned that MELBA MARIE RYAN was supposed to be the sister of the individual charged with the shooting of MARTIN LUTHER KING. She advised this was the first time she had ever heard of JAMES EARL RAY and did not know that RAY was a brother to MELBA MARIE RYAN.

She also advised that MELBA MARIE RYAN is a mental case and has been in Jacksonville State Hospital, Jacksonville, Illinois, on numerous occasions.

A photograph of JAMES EARL RAY was exhibited to HARPER. HARPER advised that this individual was unknown to him and stated he had never seen RAY to his recollection during his life.

## FEDERAL BUREAU OF INVESTIGATION

Date MAY 1, 1968

On April 19, 1968, WALTER TERRY RIFE, home address [REDACTED] Quincy, Illinois, was interviewed at his place of business, Virginia Hotel, 534 North Second Street, Quincy, Illinois. Before the interview, RIFE was advised of his rights by SA [REDACTED] and a Waiver of Rights Form was read to RIFE. RIFE advised he would not sign the Waiver of Rights Form but that he was willing to discuss anything with FBI Agents.

RIFE furnished the following information:

RIFE advised that he last saw JAMES EARL RAY, FBI #306 443 A, in 1957 when WALTER TERRY RIFE was released from the United States Prison at Leavenworth, Kansas.

RIFE advised that he had been arrested in 1955 with JAMES EARL RAY at Hannibal, Missouri, and both had been charged with the possession of stolen money orders from a Post Office. He advised that these had been taken from a Post Office at Kellerville, Illinois, in a burglary and that he and JAMES EARL RAY had then traveled throughout the United States cashing these postal money orders. He advised that they had traveled to New Orleans, Florida, Kansas City and California, cashing the stolen money orders before being arrested at Hannibal, Missouri.

Both were then sentenced to the United States Penitentiary at Leavenworth, Kansas.

RIFE advised that he had seen JAMES EARL RAY almost on a daily basis at the penitentiary at Leavenworth from 1955 until RIFE was released from the penitentiary in 1957. RIFE later learned that RAY was not released from the penitentiary at Leavenworth until 1958. He stated that he had not been in contact with RAY since that date and had no knowledge of RAY's activities other than he had heard that RAY was sentenced to the Missouri State Penitentiary in the early 1960's. He had no idea as to the charge concerning RAY at that time; however, he thought it was some type of armed robbery.

money and he knew that during that time that RAY broke into houses and stole money or goods he could sell. RAY also pulled stick-ups with a gun and that RAY committed burglaries in which safes were involved. RIFE advised that he does not want to talk about any particular job that he might have been involved in with RAY. He stated that RAY would also roll drunks to obtain money and would obtain money any way that a thief could obtain money. He stated that RAY was a roamer and a loaner and did not seem to have any close friends.

RIFE felt that in the event that JAMES EARL RAY ever returns to the Quincy, Illinois, area, RAY will contact RIFE. RIFE stated, however, that he has no knowledge that RAY has returned to Quincy since 1955 and does not believe RAY has returned to Quincy or he would have known something concerning the return of RAY.

[REDACTED]

RIFE advised that he personally knew nothing concerning the shooting of Dr. MARTIN LUTHER KING in Memphis, Tennessee and that he most certainly himself was not in the Memphis area during the period of March 27, 1968 through April 4, 1968. He advised that this could be verified from all people connected with the Virginia Hotel as well as members of the Police Department of Quincy, Illinois. He stated that night policemen cruise by his restaurant at the Virginia Hotel practically every hour of each night and that the night detectives and also patrolman [REDACTED] could verify that he had not left the Quincy, Illinois, area.

RIFE advised that he knew that JAMES EARL RAY's uncle EARL RAY had moved to California from the Quincy, Illinois, area ten to fifteen years before and that he thought the uncle had died with a heart attack. He knew that somewhere he had understood that EARL RAY was dead.

RIFE advised that he could furnish no information concerning possible contacts of JAMES EARL RAY.

The Harboring Statute was explained to RIFE by SA [REDACTED]

RIFE advised that he first met JAMES EARL RAY around 1942 when apparently RAY and his family moved to Quincy, Illinois, from some small town in Missouri. He stated that RAY had close connections in Quincy and that during the period of time that he had known RAY, RAY had resided with his Uncle, EARL RAY, in Quincy and at the time he and RAY were arrested in Hannibla, Missouri, RAY was living at the Victor Hotel on North Sixth Street in Quincy, Illinois. He advised that the Victor Hotel has been closed for many years and that he understands the operator of the Victor Hotel is now deceased.

RIFE advised that he had never heard RAY mention his father or talk very much concerning his relatives and RIFE advised that he did not know that MELBA RYAN, who resides at the Virginia Hotel was RAY's sister until learning on that date that RAY was charged with the shooting of MARTIN LUTHER KING.

RIFE advised that when he and RAY were apprehended in Hannibal, Missouri, they were accompanied by [REDACTED]. He advised that he is certain that RAY had never met [REDACTED] until the date of their arrest in Hannibal and that he (RIFE) had picked up [REDACTED] in a tavern in Quincy and took her to Hannibal on a date. He advised that [REDACTED] is presently married to [REDACTED] in Quincy, Illinois.

RIFE stated that he remembered distinctly that [REDACTED] and RAY did not know each other until he introduced them on the date the three were arrested in Hannibal. He stated that [REDACTED] was not actually arrested but was released and that she had nothing to do with the passing of the stolen postal money orders.

RIFE advised that he had never visited in the RAY home in Quincy, Illinois, and had no idea as to the address of RAY's people or the number of relatives that RAY had in Quincy. He stated that he and RAY as a normal thing, did not actually run around together but would meet each other in taverns at which time they would talk and decide to do something together.

RIFE advised that during the period of time that he had known JAMES EARL RAY, RAY had been "a thief". He stated that RAY would do anything during that period of time to make

RIFE advised that once when he was fingerprinted after his arrest on a possession of stolen postal money orders with JAMES EARL RAY in 1955, he was booked under the name of VERNON ELMO RIFE. He stated that VERNON ELMO RIFE has never been an associate of JAMES EARL RAY and has never been in jail with RAY and this is the reason records in Missouri would show RAY was arrested with VERNON ELMO RIFE instead of WALTER TERRY RIFE.

RIFE advised that when he and JAMES EARL RAY were passing the stolen money orders throughout the United States after their arrest in Hannibal, Missouri, they claimed they had purchased these money orders from a wino named WILLARD J. MC BRIDE. He advised that this information is not correct and they did not purchase the money orders from any WILLARD J. MC BRIDE. He advised that he has never known a WILLARD J. MC BRIDE and that he and RAY obtained the money orders in Adams County, Illinois. He said that the Post Office at Kellerville, Illinois, is located in Adams County, Illinois, and that he did not intend to admit to any burglary but that neither RAY nor RIFE obtained the money orders outside of Adams County.

RIFE advised that during the period of time that he and RAY were passing the money orders, they traveled extensively throughout the United States to towns in Florida, New Orleans, Louisiana, St. Louis, Missouri, Kansas City, Missouri, across the United States to California and back to the Quincy, Illinois, Hannibal, Missouri, area, where they were arrested. He stated that there was no particular place that RAY seemed fond of during that trip more than anywhere else and that they traveled from town to town on a spur of the moment deal and no plan or scheme was involved in their travels.

DETAILS:

This investigation is predicated on the murder of Dr. MARTIN LUTHER KING, April 4, 1968 at Memphis, Tennessee.

On April 5, 1968 at approximately 12:05 AM, [REDACTED] a Yellow Cab Company driver, Memphis, Tennessee, advised the FBI that he made a pickup of a white male at the William Len Hotel. [REDACTED] was directed to go in the first instance to West Memphis, Arkansas. Shortly thereafter he was re-directed by his passenger to drive to the Memphis Municipal Airport. Upon arriving at the airport, [REDACTED] was told by his passenger to wait while the passenger checked flight departure schedules. According to [REDACTED] this passenger also made an inspection of the inside and immediate area outside the airport terminal. [REDACTED] then was directed by his passenger to return to the William Len Hotel and there to wait for the passenger. Shortly thereafter the passenger returned accompanied by another white male and [REDACTED] was directed to take them to the Memphis Municipal Airport.

Investigation by the FBI determined the following:

Records of the William Len Hotel revealed that a [REDACTED] San Francisco and a [REDACTED] or [REDACTED] Kansas City, Kansas, checked into that hotel at 2:38 PM, April 4, 1968 and checked out at approximately 12:10 AM, April 5, 1968. *Calif Tenn*

Investigation by the FBI has determined that [REDACTED] and [REDACTED] or [REDACTED] were identical to the individuals that Yellow Cab Driver [REDACTED] transported to the Memphis Municipal Airport. *Tenn*

Inquiry at Delta Airlines, Memphis, determined that two individuals utilizing the names [REDACTED] and [REDACTED] departed Memphis at 1:47 AM, April 5, 1968 via Delta Airlines enroute, Houston, Texas. These individuals had no reservations for that flight. *Tenn*

Mr. GLEN PARNEIL, Reservations Manager, Delta Airlines, Houston, Texas on April 5, 1968 advised that the names of [REDACTED] and [REDACTED] had been computered into Delta Airlines records at 1:55 PM, April 4, 1968 which indicates their tickets were purchased shortly before that time and they were booked as a party of two. They traveled on Flight 157 non-stop, Memphis to Houston. *Tenn*

They departed Memphis at 1:30 AM, April 5, 1968 and arrived at 2:50 AM, April 5, 1968. Their names were added to the manifest and no addresses were listed.

On April 5, 1968 Miss SUSAN KRAUSE, one of two stewardesses aboard Delta Flight No. 157, Memphis to Houston, referred to above, advised as follows. She stated that her flight was late in arriving at Memphis. She had gone to the operations division to pick up forms and upon her return to the plane she went about her normal business. Miss KRAUSE advised that the names of passengers aboard the plane are not taken and the only thing she looks for is the envelope of the passenger that contains the ticket showing the passenger's class of travel. Because of the late hour of the departure of the flight from Memphis, the lights inside the cabin were turned down for the convenience of the majority of the passengers and she was not able to get a close look at anyone and was unable to recall the passengers and [REDACTED]

On April 5, 1968, VICKIE MC LUCAS, Delta stewardess for Delta Flight 157, Memphis to Houston, Texas, referred to above, advised as follows: While Flight 157 was at the Memphis Airport several passengers came aboard and the lights were turned down low for the convenience of other passengers; consequently, she did not pay any specific attention to any of the passengers coming aboard. Miss LUCAS advised that she was unable to recall passengers named [REDACTED] and [REDACTED] as members of the passenger list, Flight 157, Memphis to Houston, April 5, 1968.

On April 8, 1968 JIM HAYDEN, Limousine Service, which service handles the Houston Municipal Airport, advised that his records disclose LUFY DELAO who is currently working for Delta Airlines at the Houston Municipal Airport was on duty at the airport when the Delta Flight arrived at 2:50 AM and his records disclosed that DELAO had six persons whom he transported in his limousine to downtown Houston, which persons presumably were from the Delta flight mentioned above.

DELAO advised that the two men he dropped at the Rice Hotel indicated at first that they intended to be dropped at the Downtowner Motel however when getting in the vicinity of the Rice Hotel changed their minds and asked to be dropped off at the Rice Hotel. DELAO stated that these two men had very little luggage and each one carried only a small handbag. DELAO stated he could not furnish any descriptive data regarding the two men he dropped off at the Rice Hotel and did not in fact know if they actually stayed at the Rice Hotel or one of the other hotels in the area. DELAO stated that he would have arrived at the Rice Hotel at approximately 3:30 AM as this is the amount of time it normally takes to drive to the Rice Hotel from the airport via the route he took.

On April 8, 1968, Mr. JOHNNY RAGLEY, Credit Manager, Rice Hotel, personally checked all available logical records in an effort to identify two individuals who may have checked in the Rice Hotel approximately 3:30 AM on April 5, 1968. 2. Investigation at Dancing Schools,  
Houston Division

On April 18, 1968 Mrs. ITASKA WEINSTEIN, [REDACTED] Dickinson, Texas, operator of the Itaska Dance Studio, Highway 3, League City, Texas, furnished the following information. Mrs. ITASKA WEINSTEIN had been contacted on April 16, 1967 regarding any information she might have in her records indicating that ERIC STARVO GALT, also known as, might have been a student at her dance studio.

On April 18, 1968 Mrs. WEINSTEIN stated that she had researched her records and located a 3 x 5 card bearing the name of JOHN WILLARD, no address or description. She stated that the card had been completed by herself and merely shows that a man named JOHN WILLARD appeared for four dancing lessons, three lessons being on a Wednesday and one on a Friday, month and date not indicated. Mrs. WEINSTEIN does recall that these lessons for JOHN WILLARD were given before her annual recital which is held in May, and to the best of her recollection this person took the dancing lessons during April, 1967. She stated she has no other record pertaining to a JOHN WILLARD and was unable to locate any record which could contain his signature or handwriting.

[REDACTED]

[REDACTED] She recalls him as being quiet and difficult to teach because he had poor balance. No one else at her studio at the present time would know him. She stated that it was possible that SHIRLEY CARROLL formerly a bookkeeper for Mrs. WEINSTEIN at the studio might have had contacts with JOHN WILLARD when he came for lessons and may have conversed with him. She stated that SHIRLEY CARROLL resides at an address in care of [REDACTED] Forest Hill, Maryland. Mrs. WEINSTEIN was shown photographs of ERIC GALT, also known as James Earl Ray, and she commented that the photograph of GALT with his eyes closed most closely resembled the JOHN WILLARD that she vaguely recalls. She stated the eyes drawn into the photograph do not resemble those of the man who took lessons from her. In addition the hair of the JOHN WILLARD that she knew was not as dark as that in the photograph and his complexion was olive, not fair.

During their very limited conversations WILLARD stated he worked "at NASA" and did not get off from work until 5:30 PM. He also stated that he was called back to work on overtime on occasion. She stated that he did not appear [REDACTED] the "engineering type". WILLARD had remarked to Mrs. WEINSTEIN that he went from work to his apartment or room, took a shower, changed clothes and then came for his dancing lesson. She recalled that he usually wore a white shirt and dark pants but on one or two occasions wore a suit. At no time did Mrs. WEINSTEIN observe a badge or identification tag with WILLARD's photograph on it as do all employees working at NASA possess. WILLARD had stated to Mrs. WEINSTEIN that he owned a record player and he once borrowed one of her records. He had mentioned that he had bought a record of Fred Astaire Dance Instructions which he said he purchased at the NASA Bay Shopping Center, Webster, Texas. Mrs. WEINSTEIN recalled that she told JOHN WILLARD that she would not dance with him while teaching him ballroom dancing as it was against her policy. On at least two occasions JOHN WILLARD brought with him a woman who acted as his partner while he took lessons. This woman was described as name "LOU", age in her 40s and definitely older than JOHN WILLARD, height 5'4", average build, dressed in ordinary cotton dresses, not slacks, with hair being dark with a reddish cast [REDACTED] To the recollection of Mrs. WEINSTEIN, WILLARD's dancing partner supposedly worked as a waitress, cafe or establishment unknown.

According to Mrs. WEINSTEIN, WILLARD told her that he, after having taken this woman to a lesson or two, would not be able to bring her back with him because she worked too late and she wanted him to pick her up after work. Mrs. WEINSTEIN although not ever seeing WILLARD drive a car was confident that he had one but she was unable to describe it other than to say it must have been an older car. Although she is not certain she thinks that perhaps on the last time that she gave him a lesson WILLARD told her he was going to "visit his mother". She can recall no further information regarding JOHN WILLARD. Mrs. WEINSTEIN further furnished the following descriptive data concerning JOHN WILLARD:

[REDACTED] advised  
[REDACTED] ELEAN LUCRETIAN GALT at 223 Maple, Kemah,  
Texas on March 29, 1968 [REDACTED]

On April 19, 1968 SAs [REDACTED]  
and [REDACTED] interviewed ELEAN L. GALT and she advised that  
she is employed by [REDACTED] at  
Seabrook, Texas. She has never known anyone fitting suspect's  
description. She advised that she is from Harlingen, Texas  
and her father's name is JOHN GALT who she said has been  
already contacted by the FBI.

On April 19, 1968 ITASKA WEINSTEIN was recontacted  
and at that time she stated that she now recalled that a  
man named JAMES ELLIS also took dancing lessons from her  
during the period that JOHN WILLARD, another one of her  
students, was taking lessons. Mrs. WEINSTEIN was unable to  
recall if WILLARD and ELLIS had ever met. She definitely  
recalls that they did not at any time ever take lessons from  
her at the same time. Mrs. WEINSTEIN stated that as a matter  
of fact she now is unable to definitely state that the pre-  
vious information she had furnished regarding JOHN WILLARD is correct and  
is perhaps descriptive data pertaining to JAMES ELLIS. She  
stated to the best of her recollection ELLIS is employed at  
NASA and resides at either League City or Webster.

Mrs. WEINSTEIN also said that her clientele is  
almost complete children to whom she teaches ballet  
type dancing. She stated that she dislikes giving ballroom  
dancing lessons and the only ones she could recall having  
taken ballroom lessons were JAMES ELLIS and JOHN WILLARD.

On April 19, 1968 JAMES M. ELLIS was interviewed  
at the NASA Security Office and he advised as follows:

JAMES ELLIS resides at [REDACTED] League City. He was born [REDACTED] at [REDACTED]. He is employed as [REDACTED] NASA. He has been employed at NASA since August 24, 1966. ELLIS stated that he commenced dancing lessons at Itaska Dance Studio, League City, in the spring approximately March or April and continued them through approximately September, 1967. He was shown several photographs of JAMES EARL RAY; however, none were identifiable to him as anyone whom he had ever seen or had known at any time. He stated that he does not know or recall the name of JOHN WILLARD as a person he knew nor was he aware of a person by this name who was taking dance lessons from ITASKA WEINSTEIN at the Itaska Dance Studio during the spring of 1967.

ELLIS stated that he usually took his dancing lessons at the Itaska Dance Studio at approximately 6:00 PM in the evening. He stated that he usually left his employment, went to his apartment where he cleaned up, changed clothes and then went to the dance studio. He stated that during the period that he was taking dancing lessons he did date a girl who was a waitress whose name was ROSE. He recalled that he had mentioned to ITASKA WEINSTEIN that he had quit dating ROSE because she worked a late shift and expected him, ELLIS, to drop by and pick her up when she completed work. He said that this became a difficulty in that he had to get up in the morning at an early hour to get to work and he did not think she was worth it.

Records of the NASA Security Division, checked April 19, 1968 reflect that JAMES M. ELLIS was issued a Manned Spacecraft Center (MSC) decal No. [REDACTED] on August 24, 1966. His car is described as a 1959 Chevrolet Biscayne, white over gray, Alabama license [REDACTED]. His occupation was shown to be that of a [REDACTED] NASA. He was described in these records as 6'2", 160 lbs., brown hair, blue eyes.

[REDACTED] NASA, made available records of all temporary badge permits from the period March, 1967 to date. Also made available were temporary vehicle passes from the period of March through May, 1967. A review of these records failed to reflect any registration for JAMES EARL RAY, aka.

On April 22, 1968 [REDACTED], NASA, made available records of all contractors and sub-contractors who have during the year 1967 and

1968 worked on NASA projects. A review of the payroll records maintained by the Procurement Division, of all employees working for prime and sub-contractors, failed to reflect the name of JAMES EARL RAY, also known as.

8. Telephone Calls From Pay Telephones  
December 15 - 17, 1967 Along Inter-  
State Highway 10, Texas

CHARLES STEIN when interviewed by agents of the FBI at Los Angeles in April, 1968 alleged that while traveling by automobile in the company of JAMES EARL RAY from Los Angeles to New Orleans in mid-December, 1967 RAY made approximately six telephone calls most of which were made while traveling through Texas. He recalled that one call may have been completed as STEIN had to wait for quite a while for RAY to return to the car. In the other instances RAY was gone for such a short period of time from the car that STEIN was of the opinion that the calls were not completed. STEIN was unable to recall the exact location from which RAY made the alleged completed phone call, but he was of the opinion that it was in the area "just west of Houston" at a service station type establishment just off of U.S. Interstate Highway 10. The call was made at night, from a phone booth located on an access road paralleling the freeway near a liquor store and gas station at a point where the freeway is eight lanes wide with a fence separating

the freeway from the access road; STEIN further defined the time of the call as at approximately 9:00 PM on December 16, 1967 and was probably made to New Orleans, Louisiana.

[REDACTED]

LOUIS LOMAX and CHARLES STEIN had arrived at Houston at 4:15 PM, April 25, 1968.

LOMAX is a controversial TV personality from the Los Angeles area who had his own TV show until March, 1968. He has also authored a book entitled "The Negro Revolt".

LOMAX and STEIN, [REDACTED] searched the area west of Houston in an attempt to locate the phone booth from which JAMES EARL RAY allegedly made a call on the evening of December 16, 1967 and the search was unsuccessful. [REDACTED]

[REDACTED] described STEIN as being extremely vague and not at all sure of the area where the call was allegedly made.

[REDACTED] the North American Newspaper Alliance (NANA) has been trying to get in touch with LOMAX on April 26, 1968 for the purpose of writing a story on April 26, 1968 about STEIN's trip from Los Angeles to New Orleans with RAY.

[REDACTED] thought NANA was controlled by columnist DREW PEARSON.

[REDACTED] LOUIS LOMAX and CHARLES STEIN at San Antonio at 4:30 PM on April 26, 1968. They intended to rent a car in San Antonio and indicated [REDACTED] that they would turn the car in at San Antonio when through.

[REDACTED] LOMAX and STEIN appeared to be "lost" as far as their operation is concerned. [REDACTED] STEIN is taking LOMAX "for a ride". [REDACTED] learned from comments made by STEIN that STEIN had slept most of the way on the December cross-country trip, California to Louisiana when he accompanied RAY.

On April 28, 1968 HUGH AINSWORTH, Newsweek correspondent, Houston, Texas, contacted Southwestern Bell Telephone Company, Houston, and advised that LOUIS LOMAX and CHARLES STEIN had identified a coin telephone located at an Enco Station, Route 90, Uvalde, Texas as one allegedly used by JAMES EARL RAY to make a telephone call to New Orleans between the hours of 6:00 PM and 9:00 PM, December 16, 1967. The telephone number was identified as being BR 8-9048. AINSWORTH requested that toll calls from this telephone be checked by Southwestern Bell Telephone Company to determine if any calls had been made to the New Orleans area on December 16, 1967. AINSWORTH requested that he be advised of the result of this check.

On April 26, 1968 a subpoena was issued for the records of Southwestern Bell Telephone Company, Houston, Texas to be made available before the Grand Jury, Laredo, Texas on May 20, 1968. Southwestern Bell Telephone Company made available their records, period December 15 - 17, 1967 for all coin operated telephones along Highway 90, U.S. Interstate Ten. Subsequent to a review of these records by agents of the FBI, a representative of Southwestern Bell Telephone Company was advised that the subpoena had been complied with and records need not be furnished on May 20, 1968.

On the basis of the aforementioned review of Southwestern Bell Telephone Company records the following data was obtained:

MARGIE CURTIS, [REDACTED] East Point, Georgia, employed by National Car Rental, Atlanta, Georgia, advised on 5/17/68, she was the individual who rented the 1968 Dodge Dart to S. M. SCHNEIDERMAN on 4/2/68. She described SCHNEIDERMAN as being in his late 30s or early 40s, approximately 5' 7' 8" tall, of small build, weighing approximately 140-145, with dark hair, possibly black. She viewed a photograph of JAMES EARL RAY, and stated from her recollection, did not believe RAY identical to SCHNEIDERMAN, however, photograph of RAY, particularly the hair, did resemble SCHNEIDERMAN.

SCHNEIDERMAN appeared at the National Car Rental Office at the Atlanta Airport at approximately 9:42 am, wearing a business suit and presented 3 Millionaire Club credit cards, 2 in plastic covering, and 1 plain paper card, all in the name of S. SCHNEIDERMAN. She could not recall if SCHNEIDERMAN had luggage, and stated she was sure that he was not accompanied by anyone. She stated she obtained the DL # from SCHNEIDERMAN's Illinois DL, and also listed the Holiday Inn at the Atlanta Airport as SCHNEIDERMAN's place of contact.

DAVE ROGERS, National Car Rental, Atlanta, Georgia Airport, produced National Car Rental System Rental Agreement # 7044348 for this company, Station 070-2, dated 4/2/68, at 9:42 am, indicating one S. M. SCHNEIDERMAN rented car # 701371 with Georgia license 1D98283, which is a Dodge Dart, which rental agreement reflects an address of [REDACTED] Richmond, Illinois. Also listed on this agreement, DL # W5-570-018, from the state of Illinois. The agreement reflects the car will be returned on 5/1/68, and indicates a credit card was used from the Millionaire Club National Limited, Chicago, Illinois, # 96968.

ROGERS stated that a 20% cash discount was given to SCHNEIDERMAN and stated that according to records of this office, their vehicle 701371 is a 1968 Dodge Dart, VIN LH41D8B323249, bearing 1968 Georgia license 1D48283.

ROGERS stated that SCHNEIDERMAN apparently, after obtaining this automobile, later went to the Tallahassee, Florida area, and was staying at the Holiday Inn in Tallahassee, inasmuch as he, ROGERS, had received an inquiry from [REDACTED] the Tallahassee, Florida PD, who was checking on SCHNEIDERMAN through the Georgia license plate on his car. ROGERS also stated that he later received information that SCHNEIDERMAN was locked out of his room by the Holiday Inn # 2, Knoxville, Tennessee.

Mrs. PEARL JOHNSON, Bookkeeper, Holiday Inn, Atlanta, Georgia Airport, advised that records of her office failed to reflect a S. M. SCHNEIDERMAN registered in this motel during the later part of March, or later part of April, 1968. Mrs. JOHNSON advised that records of this motel reflect that a guest register card # 44179, in the name of S. M. SCHNEIDERMAN, [REDACTED] San Francisco, California, representing the [REDACTED], stayed in Room 284 of this motel on 4/28-30/68. SCHNEIDERMAN left owing a bill of \$32.61. Mrs. JOHNSON stated that her records also reflect a check was cashed by this motel in the amount of \$25, signed S. M. SCHNEIDERMAN, dated 4/29/68, check # 134, made out to the Holiday Inn, and drawn on the Portola District Branch of the Bank of America, San Francisco, California, 2485 San Bruno Avenue. This check bears the written notation, "Ill. # [REDACTED] # [REDACTED] and also EAL # [REDACTED]." She indicated the Illinois # was a DL # for the guest in Room 284, however, she could not explain what the other # was, and stated EAL could be Eastern Airlines.

Mrs. JOHNSON advised that letters were directed to SCHNEIDERMAN at the [REDACTED] San Francisco, California address, which letters were returned and the check was returned from the bank stamped "not sufficient funds".

**UNITED KLANS OF AMERICA, INC.  
KNIGHTS OF THE KU KLUX KLAN**

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised on July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1966, that the UKA is currently an active organization, with Klaverns in several states. This source said that ROBERT M. SHELTON is the Imperial Wizard of this organization and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. Source stated that during April, 1966, the National office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of SHELTON's residence, #18 Lake Sherwood, Star Route, Northport, Alabama, which space he had converted into a room.

Title: ASSASSINATION OF MARTIN  
LUTHER KING, JR.

Character: CIVIL RIGHTS

Synopsis:

Records of the Provincial Motel, 1024 Chartres Street, New Orleans, indicate Mr. and Mrs. W. G. TINKER, [REDACTED] Saginaw, Michigan, occupied Room 118 from 12/18/67 through 12/23/67, and that Mr. and Mrs. E. S. KNUTH, [REDACTED] Duluth, Minnesota, occupied Room 112 on 12/17/67. Investigation at Duluth, Minnesota, indicated Mr. and Mrs. KNUTH moved to [REDACTED] Escanaba, Michigan. Mr. and Mrs. KNUTH and Mr. and Mrs. TINKER advised they did not see anyone resembling JAMES EARL RAY while staying at the Provincial Motel, New Orleans, Louisiana, during 12/67.

- P -

DETAILS:

This investigation was predicated upon receipt of information from the New Orleans Office of the FBI that Mr. and Mrs. W. G. TINKER, [REDACTED] Saginaw, Michigan, had registered on December 18, 1967, at the Provincial Motel, 1024 Chartres Street, New Orleans, Louisiana.

On May 10, 1968, the Minneapolis Office of the FBI advised that Mr. and Mrs. E. S. KNUTH, [REDACTED] Duluth, Minnesota, were registered in Room 112 of the Provincial Motel, New Orleans, Louisiana, on December 17, 1967, and are currently residing at [REDACTED] Escanaba, Michigan.

DE 44-989

Mr. and Mrs. EDWIN S. KNUTH, [REDACTED] Escanaba, Michigan, were contacted by SA [REDACTED] on May 16, 1968. Photographs of JAMES EARL RAY were shown to Mr. and Mrs. KNUTH, and they advised that they could not identify this person as anyone they had seen during their stay at the Provincial Motel, New Orleans, while there in December, 1967. Mr. KNUTH advised that they had arrived at this motel while on their honeymoon about 5:00 p.m. on December 17, 1967, and departed this motel at about 7:00 a.m. on December 19, 1967. Mr. KNUTH advised that he is employed by [REDACTED] Escanaba, Michigan.

Following negative attempts to contact Mr. and Mrs. W. G. TINKER on May 14 and 17, 1968, they were interviewed at their residence on May 20, 1968, by SA [REDACTED] and were shown various photographs of JAMES EARL RAY. Both Mr. and Mrs. TINKER advised that they did not recall seeing anyone resembling RAY while they were guests at the Provincial Motel, New Orleans, Louisiana, from December 18, 1967, through December 23, 1967.

In recent check of the Dale Carnegie Institute at Birmingham, Birmingham was advised that records of all people enrolled in the Dale Carnegie self-improvement courses are maintained at New York City. It is noted that subject, JAMES EARL RAY, is described as an introverted individual who prefers to be by himself. Yet the investigation shows that he has enrolled in at least two dancing courses and a bartenders school, in which he was compelled to mix with other people. It was further noted that RAY sought professional help in Los Angeles to overcome his "shyness" and his tendency to be an introvert.

It is suggested that the Bureau consider having the records of the Dale Carnegie Institute and similar type institutions checked to ascertain if the subject was formerly enrolled or is currently enrolled in a self-improvement or confidence gaining type course. K

NOTE:

Birmingham has advised that a recent check of the Dale Carnegie Institute at Birmingham discloses that records of all persons enrolled in the Dale Carnegie self-improvement courses are maintained in New York City. James Earl Ray is described as an introverted individual who prefers to be by himself. Yet the investigation shows that he was enrolled in at least two dancing courses and a bartenders school, in which he was compelled to mix with other people. It was further noted that Ray sought professional help in Los Angeles to overcome his "shyness" and his tendency to be an introvert.

Birmingham suggests that records of Dale Carnegie Institute and similar type institutions be checked to ascertain if the subject was formerly enrolled or is currently enrolled in a self-improvement or confidence gaining type course.

It is not believed likely that Ray would enroll in a Dale Carnegie type course since 4/4/68, the death of Martin Luther King. There is no indication that he has enrolled in such a course; however, inasmuch as the Carnegie Institute does maintain centrally located records in New York, this can be checked out to see if he ever was enrolled. In the absence of additional information, no further inquiries along this line need be made at this time.

These records revealed that [REDACTED] was convicted of [REDACTED] in the Circuit Court, State of Missouri, County of Barton on [REDACTED], and was sentenced to State Prison. [REDACTED] was paroled to California from Missouri on [REDACTED]

[REDACTED]

[REDACTED] was on parole from Missouri and had been out of that institution only a very short period of time prior to his involvement leading to his arrest and continual confinement since [REDACTED]

On 5/24/68, [REDACTED], California State Prison No. [REDACTED] was interviewed at the above institution and furnished the following information:

He was arrested [REDACTED] by Los Angeles Sheriff's Office near Compton, California, has been in continual confinement since, and is serving a sentence of [REDACTED] for [REDACTED]

He was arrested for [REDACTED] in Barton County, Missouri in October, [REDACTED] convicted, and sentenced to the Missouri State Penitentiary for a two years period. By about [REDACTED] he arrived at the Missouri State Penitentiary, Jefferson City, Missouri, to start serving his sentence, and where he was confined for about 1½ months thereafter being transferred to the Men's Institution Training Center, Moberly, Missouri, where he remained for about six months. From there, he was transferred to a Missouri State Penitentiary honor farm called Rinse Farm (phonetic) which is just across the bridge from the State Prison at Jefferson City, where he was confined for only a couple of weeks prior

LA 44-1574

to release on parole on [REDACTED] When released on parole, he flew to California by airlines and was on the street about one month prior to his arrest confinement on [REDACTED]

At the Missouri State Penitentiary, Jefferson City, he was confined in a two-man cell, but was moved around quite a bit and had quite a few different cellmates. At Moberly, Missouri, they had individual cells, and Rinse Farm housed them in barrack-type buildings.

[REDACTED] said he knew a lot of the inmates in the Missouri State Penitentiary at the above locations, but he does not know their names. He initially stated that he cannot place JAMES EARL RAY by name, photograph, or description as having been a cellmate at any of the above institutions. Upon further reflection and consideration, [REDACTED] thought the center photograph on the FBI Wanted Flyer No. 442-A looked a little familiar to him, but he still definitely does not recognize RAY as having been one of his cellmates. He said that if RAY is identical to the person who he recalls resembled the center photograph on the above Wanted Flyer, that person was only a casual acquaintance of his. The man who resembled the center photograph on the Wanted Flyer walked back and forth to work with him at Moberly, Missouri Institution. The person who resembled the photograph on the Wanted Flyer worked in the [REDACTED] at Moberly and [REDACTED] went to school there for a while and worked in the [REDACTED] [REDACTED] stated he did not get too well acquainted with this individual and can recall nothing of value about the person that he thinks resembles RAY except that person claimed to know quite a bit about safes, was to get out soon and wanted some help in writing up scores which [REDACTED] ignored since he wanted no part of it. As he recalls, the person he knew who resembled the center photograph on the Wanted Flyer of RAY wanted to score on safes in California and "go to Mexico and cool it." [REDACTED] stated that since he was not interested in the matter, no specific place in California or Mexico was mentioned.

LA 44-1574

[REDACTED] repeatedly denied that he knows RAY or anything about RAY other than stated that above and was emphatic in pointing out that he had no contact with RAY or the person who resembled RAY when he [REDACTED] was in California on the street in [REDACTED]

# Body Isn't King's Slayer

MAHONNY CITY, Pa., May 28 (UPI) — A routine check of the dental charts of the accused assassin of Dr. Martin Luther King Jr. yesterday confirmed he wasn't killed and buried in a shallow grave near here.

Police and FBI investigators never thought he was, but they made the dental comparison in following one of the "hundreds and hundreds" of leads into the disappearance of the suspect, James Earl Ray.

The dental evidence left police with no clues to the identity of the man whose body was unearthed May 8, the apparent victim of a gangland-style slaying.

Dr. Thomas Buckley, who compared Ray's charts with the man's facial skeleton in the Good Samaritan Hospital in nearby Pottsville, said, "It wasn't even a close call."

SUBJECT: MURKIN

ASAC Stefansson of the San Antonio Office was telephonically contacted on the morning of 5/28/68 concerning the check of driver's license records in Texas.

It was pointed out it did not appear practical that if rolls of film were available there was no way to visually review the film except by having copies made of negatives. ASAC Stefansson was instructed to ascertain specifically what type of film was used, that is make and size and also ascertain whether or not mechanical equipment could be rented locally to review such film. If such can be handled, he is to advise the Bureau of the approximate cost. If such equipment cannot be obtained locally, he is to advise the Bureau so that a check may be made nationally to determine whether or not appropriate machines are available to visually review negatives.

It was pointed out that such material should be afforded expeditious attention because it would be necessary for Bureau personnel to review the records in an effort to determine whether or not subject has obtained a driver's license in the State of Texas. This is not a project which could be left up to individual clerical employees by leaving a copy of an IO and hoping that they pay some attention to it sometime during the day. *K*

If not already done, Dallas, Houston, Memphis and New Orleans should check records of access to safety deposit boxes at banks in each of those cities for the month of April, 1968. Any individuals who made entry into such safety deposit boxes in this period should be eliminated as possibly being subject. This can primarily be done on the basis of length of time the box was rented or on the basis of the renter of the box being known to bank employees. Any questionable eliminations must be run out. *f*

Captain Wilborn A. Ray, Instructor, Army ROTC, East Tennessee State University, Johnson City, Tennessee, advised that in about September, 1966, while stationed at Fort Eustis, Virginia, he and [REDACTED] were discussing racial problems when Dr. Martin Luther King's name came up. Ray continued he told [REDACTED] if Dr. King ever appeared in Memphis, Tennessee, he would be murdered. Captain Ray stated that he further told [REDACTED] that Dr. King would be shot while standing on a motel balcony, away from his friends, either looking over the arch or praying. He said that he also told [REDACTED] that Dr. King's assassin would be aiming at his head but would hit him in the throat or high in the chest.

Captain Ray explained that later in either January or February, 1967, he and [REDACTED] were drinking in a club at Fort Eustis when [REDACTED] again brought up the subject of Dr. King's possible murder in Memphis, Tennessee. He stated that [REDACTED] asked him if he knew who would shoot Dr. King. He said that he replied that the man who would assassinate Dr. King was Eric Starvo Galt.

Ray stated he cannot explain why he was able to come forth with the above information and especially the name Eric Starvo Galt since he never knew anyone by

that name, in fact, had never heard the name until after the assassination of Dr. King. He said, however, in the past on several occasions he had been able to predict future events.

Captain [REDACTED]

views the information a matter of record since he feels that when [REDACTED] receives the details of Dr. King's death, he will recall their previous conversation concerning Dr. King's assassination in Memphis and will report it to military authorities.

On April 17, 1968, [REDACTED] Military Intelligence, Johnson City, Tennessee, advised that Captain Wilborn A. Roy, ROTC Instructor, East Tennessee State University, has an above average IQ, an excellent Army record, and is considered an above average instructor at East Tennessee State University. [REDACTED] added that Colonel Richard Frueger, Captain Roy's Commanding Officer at East Tennessee State University, has advised that at the time of Dr. King's death in Memphis, Tennessee, he and Captain Roy with other members of a bowling team were bowling in Johnson City, Tennessee.

## SWORN STATEMENT

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH

I became acquainted with Captain Wilborn RAY (then 2d LT) sometime in August 1962, when I was assigned to the 13th Pay War Bn at Fort Bragg, North Carolina. Later, when I became the S-4, RAY worked for me as Battalion Maintenance Officer. I lived at this time in government quarters at 514 Mondragon Street. I had daily contact with RAY while he worked for me. RAY visited me and my family in my quarters rather frequently. On Saturdays during the football season we would watch ball games in my quarters. To my knowledge RAY got out of the Army sometime in 1964 and went back to Johnson City, Tennessee to take care of his mother. I left Bragg in 1964 to go to Vietnam.

I was surprised to meet RAY again at Fort Eustis, Virginia when I reported to duty there some time in August 1966. RAY had one of the Student Companies. During my stay at Eustis I had little contact with RAY. I was assigned to 714th Rail Battalion as S-3 and the job kept me pretty busy. I saw RAY three or four times during this period and had him once for dinner at my quarters at 122 Easton Drive, Warwick, Virginia. I left Fort Eustis in May of 1967 to go to Fort Benjamin Harrison, and later I was transferred to Fort Shafter, Hawaii.

Q. [REDACTED] do you remember any discussions with RAY involving racial issues?

A. No. We may have discussed some of the demonstrations which were taking place in the country, but racial discussions were never a definite topic.

Q. Do you remember discussing Dr Martin Luther KING with RAY?

A. The name was probably mentioned in some of our conversations.

Q. Did RAY ever tell you that he had the ability to predict future events?

A. No, he never did.

Q. [REDACTED] RAY claims that on two occasions, once in September 1966, and again in January or February 1967, he told you that he knew that Dr KING would be assassinated if he ever came to Memphis, Tennessee, and gave you the details of the assassination and the name of the murderer. Do you remember such conversations?

A. No. I am sure that if such conversations had taken place, the events surrounding the assassination of Dr KING would have brought about a recollection. It seems to me that I remember meeting him at the Officers Club at Fort Eustis around the time during which this alleged conversation took place, but this was a very short meeting and the conversation unimportant.

Re: [REDACTED], Denver, Colorado.

Enclosed for Little Rock are two copies of Denver teletype to Director and Memphis dated 5/24/68, which summarizes interview with [REDACTED], Denver, Colorado.

[REDACTED] located and interviewed 5/28/68. Categorically denies any involvement in or knowledge of MARTIN LUTHER KING's assassination. He claims [REDACTED] is mentally a "very sick person," who was merely trying to keep him from marrying [REDACTED]. He stated that at least most of the events described by [REDACTED] did take place, such as their trip to Acapulco, Mexico, his trip to Lubbock, Texas, and their visit with [REDACTED], but she added to what took place when she claimed he indicated he was involved in a conspiracy to kill KING.

He said the trip to Acapulco was for pleasure only, but, naturally, he and [REDACTED] discussed oil deals since they are associates in several oil ventures. He recalled a conversation with [REDACTED] in Acapulco wherein he mentioned in vague terms an oil deal in Kansas he was working on with [REDACTED], but no connection with a criminal syndicate was even implied. He stated that he avoided talking business with her because she fancied herself as an investor and a business woman, which she was not, and he did not want her becoming involved in any of his dealings. He recalled that she again brought up the subject of marriage during this conversation and that if he did not marry her, her daughter, [REDACTED], would be hurt. He said he told her that he did not want to hurt [REDACTED], but that he was not going to marry her.

He stated that after she learned he was going to marry [REDACTED], she came over to his apartment and threatened to kill him and herself rather than let him marry [REDACTED]. She left three of the pictures taken in Acapulco, which were taken of him, her and a sailfish he caught. He stated these are the only three pictures of the trip that he has. He recalled that only two shots of the yacht, Ultima II, were taken; one a full shot of the vessel, and the other a close-up of a red speed boat tied up to it. Neither shot contained any crewmen. It is noted that these two shots were among the pictures [REDACTED] showed interviewing Agents on 5/24/68.

[REDACTED] stated [REDACTED] is in oil business and he worked in affiliation with him and [REDACTED] when they ([REDACTED] and [REDACTED]) were partners in [REDACTED], Denver, Colorado, a few years ago. He understood from [REDACTED] [REDACTED] was in Acapulco at the time they were and was supposed to have arrived aboard the yacht. He said he had no arrangement to identify himself to any crewman or to [REDACTED] on the yacht. He stated neither [REDACTED] nor [REDACTED] involved in any criminal activity so far as he knows.

Little Rock, at Ashdown, Arkansas, is requested to interview [REDACTED], banker, to determine if activities of the group or any of its members while in Acapulco had anything to do with planning the death of KING.

Investigation Denver continuing.

**ASSASSINATION OF MARTIN LUTHER KING, JR.**

Reference is made to my memorandum dated May 27, 1968, relative to the body of an unidentified deceased person found in a grave near Mahanoy City, Pennsylvania.

On May 27, 1968, [REDACTED] Pennsylvania State Police, Reading, Pennsylvania, advised that skull X-rays of James Earl Ray, subject of captioned case, were compared with the lower jaw of the above body by Dr. Joseph E. Conrad, radiologist, and Dr. Thomas Buckley, pathologist, Good Samaritan Hospital, Pottsville, Pennsylvania, and they stated there was no similarity whatsoever between the bone structure or dental work of the body and those of James Earl Ray.

**NOTE:** Attorney General was previously advised of the finding of this body near Mahanoy City, Pennsylvania, on 5/8/68. There had been unsubstantiated reports that it might be Ray's body and the original examining physician and an archaeologist were in conflict as to the possible length of time the body had been in the grave, one claiming six months and the other four to six weeks. This is to furnish the Attorney General up-to-date information on this development.

The Memphis Division is requested to submit items of clothing bearing laundry marks and hair samples recovered by the Laboratory in the MURKIN investigation for comparison with the above submitted items.

The St. Louis Division is requested to reinterview [REDACTED] in depth; develop in detail his complete association with JAMES EARL RAY, together with all knowledge he has concerning RAY's movements and plans, particularly with reference to the casing of The Bank of Alton in 1959. Will also determine from [REDACTED] all known associates of RAY in order that they might be investigated as possible suspects in instant bank robbery. Will submit results to the Springfield Division in order that all future investigation concerning MURKIN and the bank robbery matter might be coordinated.

For information of the Bureau, the Springfield report of SA [REDACTED] dated 10/10/67 beginning of page 28 sets forth results of Laboratory examination of recovered evidence in this matter. With particular reference to the shotgun recovered, the Laboratory pointed out that there was no physical evidence to indicate the shotgun had ever borne a serial number and that there are some shotguns which do not bear a serial number.

For further information of the Bureau, inquiry of employees and officials at The Bank of Alton has disclosed that no exact figure or breakdown of the bills incorporated in the loot money obtained is available since the bank was robbed near the end of the business day and the tellers had no exact accounting of denominations taken. It is the opinion of employees that a large amount of \$20 bills was obtained and further that one teller specifically recalls she had twenty-one \$100 bills in her teller's cage.

Investigation continuing Springfield Division to develop information concerning information furnished by [REDACTED]

The below-listed laundries were contacted on the dates noted in an effort to ascertain if any laundries used a Thermo-Seal Marking Machine manufactured by the Textile Marking Machine Company, Syracuse, New York, to mark laundered clothing, in view of the fact that among articles recovered at the scene of the shooting of Reverend MARTIN LUTHER KING, Jr., were a pair of brownish checkered print undershorts and white Jockey T-shirt bearing cloth laundry tags made by a Thermo-Seal Marking Machine. These tags were one quarter inch wide and one and one sixteenth inches long, red in color, and bear marking which appeared to be "02B-6", or "D2B-6". SUSPECT - ERIC PAY, ALSO KNOWN  
AS EARL RAY, FRIEND OF [REDACTED]  
[REDACTED]

AT EL PASO, TEXAS

On April 25, 1968, [REDACTED]  
[REDACTED] telephonically advised SA [REDACTED]  
[REDACTED] as follows:

[REDACTED] had not heard from his wife, [REDACTED]  
[REDACTED] since she advised him by telephone on  
March 31, 1968, that she was leaving Fayetteville, North  
Carolina, on April 1, 1968, with their two children and  
would arrive in El Paso, Texas, on April 3, 1968. [REDACTED]  
had arranged a reconciliation with his wife, who had been  
living apart from him since November, 1967, and his wife  
had agreed to return to him with their two children.  
[REDACTED] had maintained continuous contact with his in-laws,  
namely [REDACTED], Clarksville,  
Virginia, and had been advised by them that they had not seen  
[REDACTED] wife and children. [REDACTED] received a letter  
from his wife on April 25, 1968, wherein she stated that she  
was staying with her parents, [REDACTED] and  
wanted [REDACTED] to send her money in care of her aunt,  
[REDACTED] Calhoun, Georgia. The letter was postmarked  
April 22, 1968, at Saltville, Virginia. [REDACTED] just  
learned that his wife had lived with another man while  
[REDACTED] was in Viet Nam in 1966 and 1967, and [REDACTED]  
planned to divorce his wife. [REDACTED] was of the opinion  
that his wife probably went off with some man. [REDACTED]  
recalled that he and his wife planned a trip to Tampa,  
Florida, in 1964, which was called off due to his transfer  
overseas. [REDACTED] told [REDACTED]

at that time that she might have a chance to see a friend named EARL if they went to Florida. [REDACTED] subsequently questioned his wife more thoroughly regarding this, at which time his wife said that, after graduating from high school in 1957, she and her cousin, [REDACTED] made a trip to Florida, at which time she met one ERIC RAY, whom she called EARL. She claimed that EARL was much older than she.

[REDACTED] was not known to have ever corresponded with EARL. [REDACTED] wondered if his wife was possibly in contact with JAMES EARL RAY, who was possibly identical with the ERIC RAY she met in Florida.

On April 26, 1968, [REDACTED] supra, advised SA [REDACTED] as follows:

[REDACTED] had no way of determining if the information furnished him by his wife regarding ERIC RAY, also known as EARL RAY, had any basis in fact. [REDACTED] never discussed this matter with anyone other than his wife, and he had no confirming information regarding ERIC RAY or his wife's contact with ERIC RAY. His wife never said anything to him about ERIC RAY prior to their planned trip to Florida in 1964, and gave no indication that she had ever corresponded or maintained contact with ERIC RAY subsequent to 1957. If this were the case, his wife would have no way of knowing if ERIC RAY was still residing in Florida as of 1964.

On May 10, 1968, [REDACTED] advised SA [REDACTED] as follows:

His wife, [REDACTED] was in El Paso from May 3 to May 6, 1963, and then departed for the home of the parents of [REDACTED] United States Air Force, in Bristol, Tennessee, where she planned to reside. [REDACTED] is the man his wife lived with

EP 157-186

while [REDACTED] was in Viet Nam, and his wife is now four months pregnant by [REDACTED]. [REDACTED] is currently stationed at Pope Air Force Base, Fayetteville, North Carolina. [REDACTED] had few words with his wife during the period from May 3 through 6, 1968, when she was in El Paso, and he did not question her regarding ERIC RAY, mentioned above.

[REDACTED] is a Ray look-alike suspect. He obtained a 1967 Plymouth on 5/14/68 and this vehicle was recovered on 5/28/68 Covina, California. Car was involved in accident with one [REDACTED] Azzusa, California, who stated driver of Plymouth identified himself as [REDACTED] and had given check to re-emburse him for damages. This check was found to have been stolen at Huntington Beach, California. [REDACTED] was shown photograph of Ray and stated driver of Plymouth not identical. It is not known whether [REDACTED] description approximates [REDACTED] and Los Angeles being instructed to run out loose ends.

Allen Thompson, Manager of St. Francis Hotel in Los Angeles, which was former residence of subject, advised an unnamed individual recently inquired about the relationship between Ray and one James Hardin. Thompson recalls during period 3/1-17/68, while operating switchboard, an individual called Ray and left message to call James C. Hardin collect. Calls were subsequently received from this individual reportedly from Atlanta and New Orleans. Later a person identifying himself as James C. Hardin came to hotel during period 3/1-17/68.

Thompson advised that the individual who brought Hardin to his attention does not wish to identify himself as he may be subject of an outstanding warrant. Thompson refuses to identify this individual. Los Angeles advises that Thompson drinks to excess and Los Angeles believes he should be brought before a Federal Grand Jury in Los Angeles to ascertain identity of person who prompted his memory.

Los Angeles being requested to further pursue this through intense interview and other investigative avenues of approach.

Dear [REDACTED]:

In the names I sent you two weeks ago, I overlooked the name of Harvey Sadler, former sheriff of Macon County, Ala.

Mr. Sadler was regarded as the foremost "racist" of Macon County [REDACTED]. Negroes feared him greatly and said he was allied with Governor Wallace in a number of attempts to terrorize them and keep integration out of Macon County, including an aborted attempt to hold a Klan rally in Tuskegee in 1961, the burning of the Chohaw School and the Wotawula School in 1964 and 1963.

Sadler was appointed <sup>by Wallace</sup> to fill an interim position as Sheriff in 1965. Before the appointment could be made, people of Macon County were reportedly under instructions from Wallace to "get that nigger out of there", a Negro, James Charity, who had been appointed the first Negro deputy sheriff in Tuskegee, or Macon County, history by former Sheriff Preston Hornsby, who ran for and was elected Probate Judge.

Charity was 'persuaded' to become the first Negro policeman in Tuskegee. Subsequently, Negroes elected a Negro sheriff.

I asked Sadler if he were a member of the Klan and he denied it. That was in 1965. He wouldn't say if he were a member of the White Citizens Council, or not.

I suppose he has gone back to tending his grocery, which depends on Negro trade, on the Auburn Highway in Tuskegee.

44-28811

I thought you might like to know that many Alabama Negroes feel that the King assassination was plotted by the Wallace forces to provoke Negroes to riot to further Wallace's political ambitions. Negroes feel that he is insane with political ambition.

They also feel that Rev. Abernathy is in danger, or the Poor March in danger of being turned out or stampeded to provoke bloody nationwide rioting, also to further Wallace's ambitions.

They feel that Galt or Ray made his contact here, rather, picked up his initial money here, that he was recruited through his brother in the prison, that the "bounty" story was circulated in a Missouri prison to draw attention away from the South.

I just thought I would pass this scuttlebutt along.

Sincerely yours,

F B I

The following investigation was conducted by SA [REDACTED] on May 24, 1968.

At Tulsa, Oklahoma

[REDACTED] Attorney, Enterprise Building, identified his client, who has been in contact with EDGAR EUGENE BRADLEY, North Hollywood, California, as being [REDACTED] Tulsa, Oklahoma.

[REDACTED] who requested her identity be concealed, advised that she has been acquainted with EDGAR EUGENE BRADLEY since 1937. In November, 1962, BRADLEY visited her in Tulsa and left, presumably to go to his residence in California. BRADLEY was with [REDACTED] on November 19, and 20, 1962. He left her residence in the early morning hours of the 20th. Since BRADLEY became involved in the GARRISON investigation at New Orleans, he has been trying to get [REDACTED] to furnish him with an affidavit concerning his whereabouts during November, 1962. [REDACTED] has declined to furnish such an affidavit.

She said she received telephone calls from BRADLEY on May 2, and May 19, 1968. She presumed these telephone calls were long distance from his residence at North Hollywood, California. In one of the calls he mentioned that his telephone bill was high and he would rather not make so many telephone calls pertaining to the affidavit he has been trying to obtain. [REDACTED] stated she has simply referred BRADLEY to her attorney. She said she had no information that BRADLEY has been in the Tulsa area during the recent past and she felt that if he had been in the Tulsa area he undoubtedly would have called her.

[REDACTED] further stated that she has never had any reason to think that BRADLEY would physically harm anyone. She had never known him to be engaged in any plot of any kind. Although BRADLEY is a radical anti-Communist, she has no information concerning his views on racial matters. [REDACTED] stated that when in Tulsa, BRADLEY normally stayed at the Adams Hotel.

WANDA BALLARD, Clerk, Adams Hotel, advised that a search of her records failed to reflect that BRADLEY was a guest at any time during May, 1968.

CE 44-1365

██████████ stated that from previous acquaintance with ██████████ he was aware ██████████ did not like the late President KENNEDY or his brother. At no time did ██████████ hear any mention of the name of MARTIN LUTHER KING, JR., and he did not have any specific information as to the identity of the intended victim nor the name of the person "they" sent to shut him up. ██████████ emphasized that he had reported the information to ██████████ Creedmoor, N. C., on a confidential basis on the possibility that it might have bearing on the assassination of Rev. KING, but he, ██████████, had no additional information in the matter whatsoever. ██████████ added further that he had been the only other individual present in the store at the time of the conversation. At about the time the above comments were made, ██████████ brother ██████████, came to the store ██████████ and ██████████ left.

██████████ expressed the opinion that ██████████ was a member of the local unit of the KKK. He based this opinion on the fact ██████████ has a Citizens Band Radio in the store and one of the numbers on his list was that of the KKK.

██████████ further reported that ██████████ operated a ██████████ at Bullock, N. C., known as the ██████████. He understood ██████████ left Bullock, N. C., about two days prior to 4/4/68, driving a red Mustang. He was gone for approximately one week before returning driving a light blue Mustang. He stated ██████████ a white male, in his 30's or 40's, who, insofar as he knew, had moved to the vicinity of Bullock during the summer of 1967. ██████████ stated that he thought possibly ██████████ could have been the person referred to by ██████████ although he was unaware of any association whatsoever between ██████████ and ██████████. Furthermore, he had heard some conversation indicating ██████████ had been gone during the week of 4/4/68. ██████████

RE: FORMER INMATE, [REDACTED]

On 5-24-68, [REDACTED], SLMO, was contacted at his residence whereupon he advised that his name was [REDACTED] and not [REDACTED] and that he did not remember a man by the name of [REDACTED]. He said that he had a couple of former prisoners staying at his place for a short period about three or four years ago but he could not remember their names. He advised that since his wife left him and ran off with an ex-convict he wanted to forget the past. He could offer no additional information.

Several unsuccessful attempts were made on 5-24-68, in an effort to contact the residence of [REDACTED], SLMO.

On 5-27-68, [REDACTED] mail carrier for the SL Post Office, [REDACTED] SLMO, advised that he has been delivering mail for the past 10 years and that he did not recall the name of [REDACTED] or [REDACTED] as residing at [REDACTED].

He stated that the house located at [REDACTED] was vacant for approximately 6 to 7 months and that it was purchased approximately 8 to 9 months ago by an elderly man and wife by the last name of [REDACTED] (phonetic). He stated that he did not know the man's name but indicated that the wife's first name was [REDACTED].

The following efforts were made by SA [REDACTED]  
[REDACTED] to identify the individual using GOLDMAN's gas  
credit card who had been picked up by the Chicago Police  
Department but had been released; as a matter of police

knowing the name of the complainant, it would be extremely difficult to locate the case number for the original offense that is, the purchases on March 8 and 11, 1968. He said that this case number would have to be obtained since if anyone was arrested by the police department on that charge, it would have been listed within that case number. He said that either [REDACTED]

[REDACTED] might have handled the matter because they are the officers he usually assigns credit card cases to.

On 5/21/68, [REDACTED] advised that he thinks he recalls the original report from the Shell Station and would make an effort to locate it. He further advised, however, that he could not recall anyone being arrested for this offense. Subsequently, on 5/22/68, [REDACTED] advised that he was unable to locate any CB number for a fraudulent credit card purchase on the dates indicated at a Shell Station on Armitage Avenue. He also advised that he had discussed this matter with the various detectives assigned to Area 5 with negative results. He did suggest, however, that [REDACTED] be contacted.

On 5/27/68, [REDACTED] advised that he had no record nor recollection of either the original offense or of anyone being arrested and released on a fraudulent credit card use in Area 5.

Due to the manner in which the Chicago Police Department maintains its records, it would be physically impossible, based on the information furnished, in Milwaukee airtel of 5/16/68, to identify the individual supposedly using GOLDMAN's gas credit card who had been picked up and then released by the Chicago Police Department. Accordingly, for that reason and for the reasons set forth in referenced Chicago airtel, no further investigation being conducted into the identity of the assailants of MARSHALL GOLDMAN.

Ex-convict [REDACTED] reinterviewed at his present residence, Talladega, Ala., and following is synopsis of additional information obtained:

[REDACTED] was shown all available photos of JAMES EARL RAY and picked out photo taken at bartending school as one most resembling RAY. Concerning other photo taken of RAY in California in January or February, 1968, [REDACTED] said this did not resemble RAY, but did strongly resemble a person who came to a gas station where [REDACTED] worked in June, 1967, in Reform, Ala. This person was driving a late-model red Mustang, and was accompanied by two white males, one being an ex-convict from the Missouri State Pen, FNU [REDACTED], other unknown to [REDACTED]. [REDACTED] had no conversation with driver of Mustang, but [REDACTED], whom [REDACTED] had known in the pen, told [REDACTED] that he and his two friends were going to Tuscaloosa, Ala., from Columbus, Ga. [REDACTED] had been released from pen few months before [REDACTED]. [REDACTED] claimed he had seen [REDACTED] and RAY in conversations in the pen on several occasions and that [REDACTED] was positive that [REDACTED] and [REDACTED] knew each other.

█████ claimed that █████ was considered to be a "stool pigeon" inside the pen. █████ came from Kennett, Mo., and had been convicted of █████. █████ claimed that RAY was living in F Hall when █████ met him through █████, and that █████ also lived in F Hall. (Review of Kansas City report dated 5/15/68 fails to indicate that RAY ever lived in F Hall; however, it is noted that in St. Louis report of 5/10/68, █████ claimed that RAY did live in F Hall.)

█████ claimed the information he was furnishing concerned JAMES EARL RAY and he did not have him confused with any prisoners with similar names such as JAMES RAYE (as claimed by █████) or JAMES WRAY.

█████ claimed that █████ once said he, █████ could get along in Mexico if he ever got there, and that he, █████, would go to some small town past Mexico City to hide out, if he ever escaped. █████ named the town, but █████ can not recall name. This claim was made in presence of RAY. █████ also claimed he had run off from an orphan's home at the age of 14, and was later "taken in" and raised by a Sheriff. █████ then became involved in allowing the escape of several prisoners being held by this Sheriff in Louisiana. Because of their close association in the pen, █████ said it was most likely that RAY and █████ would get together outside.

█████ continued to claim he had no knowledge of any convict organization in the pen, but it appeared to interviewing agents that he was possibly withholding information when pressed on this point. He said there were several poker games operated by certain convicts and that some others took bets on sporting events. One of these was █████ who operated a game with █████. █████ claimed he had seen █████ and RAY in several conversations together and that RAY usually always played in the game operated by █████ and █████.

█████ identified one █████ (ph) as a poker game operator who also was used to collect gambling debts inside the pen.

█████ identified his closest friends in the pen as █████ from St. Louis, who left in █████ after serving

on [REDACTED] (ph) from St. Louis, who is still confined, [REDACTED] from St. Louis, who was released in [REDACTED] after serving [REDACTED] and [REDACTED] who is now believed to be in the Texas State Pen.

RE: MURKIN

in Houston. Through the records of Delta Airlines, Houston should also determine other persons who were aboard the flight and attempt to identify, locate and interview.

Memphis, if not already handled, should determine whether or not [REDACTED] and [REDACTED] had reservations at the William Len Hotel. Also determine the method utilized in paying for their rooms - cash, check or credit card. Determine from car rental agencies in the area of the William Len whether any vehicles were rented during the pertinent period to individuals named [REDACTED] or [REDACTED]

This phase of the investigation is to be given your continued expeditious attention so that it may be resolved at the earliest possible time.

SUBJECT: MURKIN  
(OO: Memphis)

In an effort to give the widest possible circulation of Identification Orders of JAMES EARL RAY, New Orleans has determined that the Port of New Orleans has a mailing list comprising over 5,000 individuals and business firms of all types, including the shipping industry. This mailing list also includes foreign distribution.

This mailing list is not made up on the normal addressograph plates, but are gummed stickers with names and addresses which are affixed to the printed material. The Port of New Orleans utilizes a local mailing service with a special machine which does affix the stickers to the material and the Port of New Orleans has advised that they will make these gummed stickers available to use free of charge.

Inquiry at the local mailing service has determined to affix these gummed stickers to the Identification Orders, they would not charge the FBI more than \$10.00 per thousand.

Bureau authority is requested to expend up to \$60.00 in the mailing of these Identification Orders. Please advise.

In view of current developments, there does not appear to be any need for Inspector Joe Sullivan to be in Atlanta, Georgia, or Memphis, Tennessee. We are now engaged in a fugitive investigation and all offices will have to focus their full attention to any leads which might develop as a result of our inquiries.

In view of the aforementioned, it would seem desirable to release Inspector Sullivan from his present assignment.

## RECOMMENDATION:

I have spoken with Sullivan and he has no reason for remaining in Atlanta. It is recommended he be instructed to immediately proceed to Detroit, Michigan, and en route stop by the Seat of Government for a half-day conference with Domestic Intelligence Division.

Enclosed for the Bureau are two X-rays and X-ray reports obtained from the X-ray Department, Missouri State Penitentiary.

Upon a review of subject's file, it was felt that dental X-rays were taken of subject's teeth in 1965; however, these are X-rays of subject's sinus cavities, but the profile has a good picture of subject's teeth. Also, it appears subject's right elbow was X-rayed; however, neither this nor dental X-rays are available. A complete search of the X-ray Department and dental laboratory at the hospital failed to reveal new additional X-rays regarding RAY. Those enclosed were furnished by Warden HAROLD SWENSON to SA [REDACTED] on 5/17/68, and are being forwarded for whatever use these may be in this case.

It is requested that when they are of no further value to the FBI, they should be returned to the Missouri State Penitentiary, Jefferson City, Missouri.

ReButel to all SACs 5/21/68.

Inquiry, California State Department of Motor Vehicles (DMV), 5/22/68, reveals that 15,000 applications for driver's licenses (includes renewals) are received each day from 140 issuing stations.

DMV advised that a recent survey indicated that it would take two people 10 working days to review film received from one issuing office for a 2-month period.

Applications, after handling, are filed by soundex, and with such a tremendous volume in question, the task of reviewing two months' applications becomes impossible.

Re: DRIVERS LICENSE BUREAU CHECKS FOR ALL  
 DRIVERS LICENSE APPLICATIONS - MONTHS OF  
 APRIL AND MAY, 1968.

On 5/27/68, a conference was held with [REDACTED]

[REDACTED] of the Department of Public Safety,  
 Drivers License Division, Tallahassee, Fla., to make a  
 more thorough and exhaustive study of details in reviewing  
 all drivers license applications in the State of Florida  
 for the months of April and May, 1968, and a more  
 accurate determination of numbers involved.

[REDACTED] explained his figure of 900,000  
 drivers licenses issued in a year that he had previously  
 furnished was erroneous and that was the number of  
 examinations given, rather than the number of applications  
 received or licenses issued.

He advised this figure is high since several  
 examinations are sometimes given to the same individual  
 and a student or inexperienced driver will be given a  
 visual and written examination before being issued a  
 restricted license or learner's permit and thereafter  
 return for a road test examination each of which is  
 counted as an examination. The survey now reveals the  
 following information:

REVIEW PROCEDURE

1. AT TALLAHASSEE, FLORIDA

a) Applications already filed: (Approximately 30,000)  
Motor Vehicle Bureau personnel would have to pull individual files from the list of names contained on the Motor Vehicle Bureau form DL 16 as described in referenced Jacksonville airtel. (Names of all applicants for drivers licenses appearing at the 110 examining points throughout the state of Florida). It is noted that not all individuals contained on this list have passed the examination and therefore their applications are not on file in Tallahassee. A copy of these DL 16's for month of April are on file at Tallahassee.

FBI personnel would thereafter review these individual applications for elimination purposes.

b) Applications Not Filed to Date

All applications received on or after 5/27/68 are being held by MVB and will not be filed. A review of these applications could be made by FBI personnel prior to filing.

2. AT THE 110 EXAMINING STATIONS THROUGHOUT THE STATE.

Number - 10,500.

In the event an application is made for a drivers license, this application would not be forwarded to Tallahassee and would be kept at the Inspection Station in following instances:

1. Individual takes only the visual examination and written test.
2. Takes neither the written or road test.
3. Fails either the written or road test.

These applications are retained for a period of 90 days and thereafter destroyed.

The above applications are filed alphabetical and would be reviewed by FBI personnel from name on the DL 16 on which no application was located in Tallahassee.

### 3. AT COUNTY JUDGE'S OFFICE

These applications were sent from Inspection Station on individuals having passed their tests and will be forwarded to MVB, Tallahassee, usually once a month and will be reviewed at Tallahassee prior to filing.

#### COST INVOLVED

Other than Bureau personnel...

Approximately \$3,000

Including 5 Xerox copies each of the 3,000 DL 16 forms.

Five employees working from 7-9 p.m. each night for about 30 days pulling files for review by Bureau personnel and the refiling of these files.

#### BUREAU PERSONNEL

[REDACTED] estimated that it would take five FBI personnel about 40 days to complete the project as he feels that a person cannot examine more than 20 applications an hour.

Bureau personnel would be supplied space and could work days on this project.

#### AT 110 EXAMINING STATIONS

Undetermined.

#### ALTERNATIVE

Review of licenses filed at the County Judge's Office as set forth in Jacksonville airtel to Bureau 5/24/68 after obtaining DL 16 from the 110 examining stations.

In this regard [REDACTED] pointed out that for the month of April only a copy of the licenses would be available at the County Judge's Office where as in Tallahassee, the applications would be filed. This application contains additional information such as the license tag and where the person was previously licensed to drive.

[REDACTED] further advised that his experience has been that a lot of county judge's offices have not kept good records as to the filing of these drivers licenses and in many cases he has found where they are several months in arrears with their filing. He said all the licenses for the month of April will be in file at Tallahassee in the next few days but those for May will not be complete until around the end of June.

RECOMMENDATION

Bureau is requested to approve the payment of approximately \$3,000 to the Department of Public Safety, Tallahassee, Fla., for necessary expenses incurred by them in carrying out the above project.

[REDACTED] has requested a decision as to whether he should retain stops with all the applications that are coming in for May and those retained for April be reached as soon as possible. A delay of any length of time would cause his office to "bogg" down with non-filed applications.

Re Bureau radiogram dated 5/21/68 regarding Drivers License Bureau checks for all drivers license applications for months of April and May, 1968.

████████████████████, Department of Public Safety (DPS), Florida Highway Patrol, Tallahassee, Florida, advised on 5/23/68 that approximately nine hundred thousand new Florida drivers licenses were issued in the State each year. For the months of April and May there would be approximately 150 thousand new drivers licenses issued.

The following is the procedure for the issuance of new drivers licenses in the State of Florida:

There are 110 examining points in the State. An applicant appears at one of these examining points and is furnished an application, a xerox copy of which is attached. After an applicant has successfully passed his tests, the application and the fee go to the County Judge's Office. At the County Judge's Office, the Florida drivers license is issued. There is an original and two copies of this license. The applicant receives the original and a copy with the application is forwarded to the DPS at Tallahassee. The third copy is filed at the County Judge's Office.

The County Judge's Office forwards the copy of the license and application about every thirty days; some of the larger counties are more prompt, others go as long as two months before forwarding same. The licenses at the County Judge's Office, as are those at the DPS in Tallahassee, are filed alphabetically and there is no numerical order of the record. The Department of Public Safety examining points file once a month, usually on the 5th, Form DL 16, which report lists the name of the applicants for drivers licenses for the previous month and if the fee has been paid. There is no other information on this DL 16. A copy of this form remains at the examining point. At this time, the only possible reasonable check that could be made would be as follows:

1. Contact made with the senior examiner, who is an employee of the DPS, at the 110 examining points throughout the State of Florida.
2. With the senior examiner, go to the County Judge's Office and examine all Florida drivers licenses that they have not as yet forwarded to Tallahassee.
3. With a copy of the DL 16 kept on file at the examining point, check the names alphabetically with the drivers licenses on file at the County Judge's Office. For the month of April the DL 16 would be complete, while the month of May would only be partially completed and not complete until around 6/5/68.

Each FBI Field Division in Florida, if the above system is practical, could cover their own leads after checking out the drivers licenses, which would save considerable paper work by one Division.

The above procedure is the only way that a complete search could be made at this time since it will be the end of June or the middle of July before such a search can be made at the DPS at Tallahassee.

In addition, it is to be pointed out that a search of the names of the DL 16 in the County Judge's Office would be much faster than a search at DPS, Tallahassee, as it would mean fewer licenses to be checked.

It should be noted that not all the names on the DL 16 will be found to have drivers licenses as many applicants file and don't return, while others fail to pass.

[REDACTED] advises the following counties have not forwarded their license returns for April:

Bradford, Citrus, Manatee, Pasco, Pinellas and Taylor.

The following counties have already made returns through 5/13/68:

Broward, Dade and St. Johns

[REDACTED] advised because of the present work load at the drivers license division of the DPS, it would be impossible for them to pull that many files during the regular work day. The Major explained that their personnel would have to be the ones to pull the files because of their new mechanical and electrical filing system although the FBI personnel could review the licenses.

The Major explained that some plan would have to be worked out to have their personnel work nights, which would mean time and a half or double time, as far as pay is concerned.

He was unable to estimate the length of time, the number of personnel, or cost involved to review these licenses.

Due to the above, and since most counties still have their applications for May, it is suggested that necessary

information be obtained through examining points and County Judge's Offices rather than attempt to handle the review at the State Capitol, Tallahassee.

For the Bureau's information, both [REDACTED] and [REDACTED], Jacksonville, Florida, have advised no identification is necessary to obtain a license and therefore a great number of licenses are issued using false names and addresses for faulty identification purposes. Duval County alone had between 3,000 and 5,000 applications submitted for the month of April according to [REDACTED].

NOTE:

The Bureau by radiogram dated 5/21/68, to All SACs instructed each field division covering state capitals to cause a check for all driver's license applications by review for the months of April and May, 1968, as subject may have obtained a driver's license in a state using a name not known to this Bureau.

Jacksonville now advises that due to system as maintained by the State of Florida it would cost the Bureau \$3,000 in initial cost to make appropriate review. In view of the cost and the fact that this is a project-type lead and it has not been positively established that subject would make application for driver's license in another state, this project in Florida is not being authorized at this time. It is known that subject currently has valid Alabama driver's license under name of Eric S. Galt. Jacksonville is being instructed to insure that appropriate stops are maintained concerning any future license to be issued under the subject's true name or known aliases.
